BRITISH POSTAGE RATES ARE TOO HIGH

LONDON, Oct. 24.—An agitation is growing in favor of freeing postage of the question of freeing postage from the present excessive rates while the question of spending scores of millions of pounds to encourage a revival of trade is being considered. The high postage rates were imposed to recover the departmental deficit of three and a half million pounds, and it is suggested that something might profitably be set aside to reduce the postage rates.

To evade the high postage rates, British business houses have taken to posting circulars from the continent, where it costs only half as much to mail them as in this country. The postcard industry, through its increased postage, has dropped 50 per cent.

Burglar Killed by Policeman
MONTREAL, Oct. 24.—A burglar was shot and instantly killed by a policeman who had been wounded in the knee in the daylight early Sunday morning, following an attempted robbery of a fur store on St. Denis Street.

MUNITION CASE IS CLEARED UP

Premier Meighen, in Reply to Mr. King, Shows That No Money Sent on War Stores Since War Ended

ST. THOMAS, Ont., Oct. 24.—Speaking to a large gathering of West Elgin voters, Premier Meighen answered the series of questions put to him by Hon. Mackenzie King Liberal leader, relative to a shipment of high explosive shells which Mr. Mackenzie King saw being unloaded at Levis, Quebec.

"There has not been one dollar spent for munitions since the end of the war," he told his audience. "Let me hasten to assure Mr. King that he is not in the least danger from these explosives. They are for use in the active militia, and as far as I know, he is not in it."

Premier Meighen's explanation of the fact that a shipment of shells was being unloaded from the Canadian Government Merchant Marine steamship Canadian Runner when Mr. King passed through Levis was that the explosives had been allotted to Canada by the British War Office.

"Mr. King got off for a little constitutional at Levis," remarked Mr. Meighen, "and he found conditions so terrible in regard to these explosives that he deemed it his duty to pen me a public letter, which I have not yet received. He was apparently more anxious to get the letter to the newspapers than to get it to me. I am not the head of the militia department. It is well managed by Hon. Hugh Guthrie. One might have thought that Mr. King might have recovered sufficiently from the shock he received at Levis by the time he reached Ottawa to make his inquiries at the militia department. No, he had to ask me. The reason he asked me was that he wanted to spread rumors all over this country that the Government was spending the people's money on high explosive shells."

Mr. Meighen then read a lengthy telegram from Major-General Macdonald, Chief of the General Staff of the Canadian militia, in explanation of the shipment of shells. It was as follows:

"Referring to the press article regarding shipment of ammunition from England to Canada, there has been no ammunition nor any war equipment of any sort purchased by Canada since the termination of the war. When the war broke out, the available guns and ammunition in Canada were shipped to England as soon as possible and handed over to the War Office, for which Canada received credit. When the armistice came and demobilization of the Canadian forces was decided on, an agreement was entered into with the War Office under which practically all the equipment and ammunition in possession of the Canadian troops and the turned into army ordnance depots. The Canadian Government obtained credit for the same. Demands were submitted to the War Office for requirements of the active militia, and the equipment referred to by Mr. King constituted part of these demands. The demands were based upon the number of rounds of ammunition required for each gun returned to Canada, in accordance with the standard scale.

"About July, 1920, a financial arrangement was made with the War Office whereby the Canadian Government was given a credit for the balance of the equipment which was needed and for which no demands were submitted. In order that some of the equipment and ammunition which is subject to deterioration, should not be out of date, a shipment was forwarded to correspond, as nearly as possible, to the time it would be required. This explains why some ammunition is arriving now. Clearly, therefore, no present expenditure is involved in this arrangement.

"Regarding demobilization appropriations, it may be said that the charges which have been going through on this vote represent no fresh commitments, but payment of war accounts delayed by adjustment."

LORD NORTCLIFFE ON WAR POSSIBILITY

MANILA, Oct. 24.—That war on the Pacific which would involve the United States would bring to the aid of America not only Great Britain herself, but "the whole family of British nations." was the personal opinion expressed today by Viscount Northcliffe, in answer to a direct question put by a staff correspondent of The Associated Press, of Manila, who had been sent here to interview the British publisher on Far Eastern questions.

He declared that Great Britain would stand by the United States in Pacific troubles just as the United States stood by Great Britain in the World War. He added: "It seems inconceivable that any contingency might arise to menace seriously the inviolable, but impracticable, bonds binding the English-speaking peoples."

Viscount Northcliffe left last night for Hongkong.

Domoney Sentenced

OTTAWA, Oct. 24.—William Domoney, ex-sergeant of the Department of Militia, recently extradited from England, was Saturday given a sentence of two years in the penitentiary, after a jury conviction on four counts, the charge being obtaining cheques and money from the department by false pretences and with intent to defraud. The offence was in connection with the exchange of soldiers' pay and allowance at par value.

HIGH WAGE DEMANDS MAY CAUSE STOPPAGE

MONTREAL, Oct. 24.—Announcement that every coal mine in Nova Scotia, and probably the steel plants as well, will be closed down if the miners do not moderate their wage demands, was made this morning by Roy M. Wolvin, president of the British Empire Steel Corporation, which controls the properties of the Nova Scotia Steel & Iron Company, the Dominion Steel Company, and also the Dominion Coal Company.

TORONTO AFFLICTED BY HOLDUP GANGS

TORONTO, Oct. 24.—Holdup gangs are active again here. Two men were held up in a car in a fashionable residential district Saturday and forcibly took \$20 from a young woman who was walking along the street. Dragging himself for nearly half a mile in a vain endeavor to reach safety, Harry Stron, 24, taxi driver, died later in a hospital as the result of a murderous attack Saturday night by holdup men who hired him to drive them to a lonely part of the city.

PREMIER HEARD IN WEST ELGIN

Emphasizes Opinion That Conditions in Canada Are Relatively Good—Corrects Statement

ST. THOMAS, Ont., Oct. 24.—West Elgin supporters of the National Liberal and Conservative party turned out in numbers Saturday evening to hear Premier Meighen, Sir Henry Drayton and Sir George Foster discuss political issues.

Premier Meighen emphasized his opinion that conditions were better in Canada in any other country that participated in the war, in a point of national debt alone, the United States was in a better condition than Canada, but tried by the test of commerce and unemployment, this country is in better condition than the United States he averred. Mr. King and Mr. Crerar were worrying about the financial condition of this country, he said, and the latter was much disturbed in regard to expenditures on defence. The Prime Minister went on to declare that the per capita expenditure on defence in this country was extremely low compared with that of the United States or other parts of the British Empire. He defended the Government's railway policy as the best method of dealing with a situation which had been forced on the present government by the Laurier administration, and then turned to the tariff.

A statement had been published in a newspaper recently to the effect that he had once favored the free entry of foreign goods into Canada, the Premier said. "The statement is an intentional, deliberate perversion of the truth," he declared. He had moved for a reduction in tariff duties on agricultural implements many years ago, but he had never advocated that they be allowed in free. He went on to add that a number of arguments in support of his contention that Canada must continue to have a protective policy.

TO MEET NEXT IN NOVA SCOTIA

G.W.V.A. Convention Decides for Eastern Point—Resolutions Adopted at Closing Sessions on Saturday

PORT ARTHUR, Ont., Oct. 24.—The convention of the G.W.V.A. will be held in Nova Scotia, the city to be left to the approval of that Province, it was decided at the closing session of the annual convention held here today.

Limitation of armament or total disarmament was advocated by the convention. The convention expressed the hope that the Washington conference on disarmament would lead to this step being taken. The convention, in a resolution, asked for an explanation by the Government of the disposition of the discount between the Canadian dollar and the pound sterling and the French franc, which was the currency paid to soldiers in England and France during the war. The total amount involved is more than \$15,000,000 and appropriation of the same would amount to \$15 or \$20 a man. It was urged that this question be fully probed. Endorsement was given to the proposal favoring the exclusion of all Asiatics and also to prevent the sale of lands, directly or indirectly, to Asiatics. The convention protested against the holding of the anniversary of Armistice Day on any day other than November 11.

SOUTH AFRICA'S USE OF LOAN PROCEEDS

LONDON, Oct. 24.—Referring to the recent criticism regarding the disposal of the proceeds of the new South African loan, the South African High Commissioner in London announced that the tenders of the American contractors for the grain elevators, to which the loan will be partly devoted, were substantially below the others. Fifty per cent of the amount of the contract, however, will be expended in South Africa, which itself produces cement, timber, steel and labor. The High Commissioner added that the great part of the steel for the structural work and the machinery would be purchased in Great Britain.

Bank Manager Promoted
PRINCE RUPERT, Oct. 24.—E. M. Dwyer, manager of the Bank of Commerce here, has been transferred to Vancouver as inspector.

SOME WILL TAKE CANADIAN ROUTE

Mr. Balfour and Other Members of British Delegation to Sail on Empress of France—Elaborate Equipment

LONDON, Oct. 24.—Part of the British delegation to the Washington limitation of armaments conference will go to Washington via Canada. Lord A. J. Balfour, Lord Eaves, military expert; Sir John N. Gordon, the Foreign Office representative, who was former minister at Peking, and Sir Maurice Hankey, secretary of the delegation, have booked passage on the Canadian Pacific steamer Empress of France, sailing November 3, and due to arrive at Quebec on November 8.

Piles of packing cases, stencilled "British delegation to Washington," are scattered about the Foreign Office, the War Office, the Admiralty and other Government departments in Whitehall, where preparations for the departure of the British delegates to the Washington conference are well under way. Stacks of cases indicate that the delegation will be fully supplied with statistics and data from the Government archives. Some of the larger cases are labelled "Fragile—office machines," indicating that the secretary will be almost an independent, self-contained organization requiring little equipment except desks for typewriters.

The Foreign Office yesterday officially announced the personnel of the Empire delegation, comprising fifty-one names. It is headed by Mr. Lloyd George, with a ticketed note saying: "As soon as circumstances permit." There will be several members of the Foreign Office, five members of the War Office, five of the Air Ministry, two of the Board of Trade, two each from the Australian and the Indian sections, five members of the general secretariat and four comprising the cabinet secretariat.

PREMIER MEETS TWO OPPONENTS

Progressive and Liberal Candidates to Run in Portage la Prairie—Mr. Buchanan Retires in Lethbridge

WINNIPEG, Man., Oct. 24.—Premier Meighen is to have two opponents in Portage la Prairie constituency, where he is seeking re-election to parliament. Harry Leader is in the field as the Progressive candidate, and it is said today that the Liberals have decided to contest the seat and that they will call a nominating convention at once. LETHBRIDGE, Alta., Oct. 24.—W. A. Buchanan, former minister for this constituency, who a couple of weeks ago announced his candidature as an Independent Liberal, today announces his withdrawal from the campaign. PORT WILLIAM, Ont., Oct. 24.—The convention today which nominated Hon. Mr. Manion as candidate for Port William and Rainy River, in the Government interest, lasted only three-quarters of an hour. About 150 delegates were present.

OTTAWA, Oct. 24.—Nominations reported are: Drummond-Athabasca—N. K. Laflamme, K.C., Liberal. North Renfrew—Dr. I. D. Cptnam, Conservative. North Waterloo—W. D. Euler, Independent Liberal. Carleton County—W. L. Gourlay, Liberal. York-Sunbury—R. B. Hanson, Conservative. Lincoln—A. J. Cruise, Progressive. South Toronto—Dr. Charles Sheard, Conservative. St. James, Montreal—Leo Gauthier, Conservative. Kings, N.B.—Ernest Robinson, Liberal. H. P. Pinhey, Conservative. Kent, N.S.—Duncan McDermid, Progressive.

CALGARY, Oct. 24.—John S. Mayor, of Calgary, was nominated by Bow River Conservatives on Saturday, as a candidate in that riding. LACOLLE, Que., Oct. 24.—Z. Dupuis has been nominated as Farmer-Protectionist candidate and supporter of the Meighen Government for St. John-Beriville County. ST. CATHERINES, Ont., Oct. 24.—Uncertainty has been removed in the case of E. J. Lovelace, nominated by both the Liberals and the Independent Labor Party for Lincoln. He will run under Independent Labor Party auspices.

Oregon Murderers Sentenced
WALLA WALLA, Wash., Oct. 24.—John L. Rialto and Elvie D. Kerby, charged with the murder of Sheriff T. Taylor a year ago, were sentenced to death at Pendleton this morning by Judge Phelps. The date for their execution was set for December 1. The sentence followed the refusal of the Oregon supreme court for a new trial.

PARIS COMMUNISTS ARE KEPT IN CHECK

PARIS, Oct. 24.—Ten thousand soldiers and policemen guarded the United States Embassy and neighboring streets yesterday to prevent a threatened demonstration by French communists in protest against the conviction for murder in a Marseilles court of Nicola Sacco and Bartolomeo Vanzetti, but no communists appeared there. Marcel Cachin, leader of the communist party, was roughly handled by his own sympathizers, who met him as they were returning from Porte Maillot. They reproached him for having failed to put in an appearance at the meeting place, and struck him repeatedly. Police finally came to his rescue and escorted him to a place of safety.

Being Hugo Stinnes
LONDON, Oct. 24.—Arnold Lepton has commenced proceedings before the arbitral tribunal established under the peace treaty against the German magnate, Hugo Stinnes, for claims arising from the latter's pre-war interests in the Yorkshire coal fields.

**MR. BOTTOMLEY GIVES
ASSURANCE TO CLUB**

LONDON, Oct. 24.—Horatio Bottomley, M.P., has issued a reply to the strictures of Judge Bargeant during the hearing of Bottomley's suit for libel against the issue of a pamphlet in which it was alleged that there was fraud in connection with Bottomley's Victory Bond Club.

Judge Bargeant observed during the hearing that he would draw his own conclusions from the fact that the books of the club had not been laid before the court.

Mr. Bottomley's statement declares that he is greatly distressed by the Judge's observations and repeats that every member of his club would be paid in full, adding:

"But no more clubs for me." Bottomley declares his readiness to produce all his books for the receiver, but contends that this is very different from producing them for the assistance of persons charging him with fraud.

TELEPHONE CHARGES**INCREASE IS LIMITED**

Board of Railway Commissioners Decides Increases Can Only Apply to Places Stated in Application

That increased telephone rates can only be charged in cities specifically stated in the recent ten per cent allowance of the Dominion Board of Railway Commissioners was the announcement of Assistant Chief Railway Commissioner B. J. McLean at the sitting of the Board in the City Hall yesterday morning. The question of telephone rates was brought before the Board by Mr. George I. Warren, president of the Associated Boards of Trade of Vancouver Island. Mr. Warren stated that the increased rates were being applied to various points where no increase had been allowed. He understood that the recent ten per cent increase allowed by the Board was only to be applied to places specifically named when the B. C. Telephone Company asked for the increase.

A telegram from Chief Railway Commissioner F. B. Carvell dealing with the telephone rate question was read by Dr. McLean in which Mr. Carvell stated that the increase allowed by the Board were to apply only in places specified in the company's application, some months ago.

"Will they have to refund the money in places where they have been charging the increase outside these specified places?" asked Mr. Warren. "Proper recourse will be taken," Dr. McLean replied.

Rate Charges a Handicap

The question of the excessive freight rates on Canadian railways being a severe handicap to business on Vancouver Island and a cause of loss to the manufacturers and of unemployment to the laboring classes was brought before the Board by the representatives of the Associated Boards of Trade of Vancouver Island and an application for a reduction in the rates on lumber for the Coast and Interior mills to stations in Western Canada was placed before the members of the Board. It was explained that this application was an endorsement of the fight which the British Columbia Government has been making for a general reduction of freight rates between the Coast and Eastern points.

Very little time was spent in consideration of the matter of freight rates by the Railway Board. No argument on tonnage or railway revenue was introduced, as with questions had been thoroughly investigated by the Board when sitting in Vancouver. Mr. G. O. McGeer, counsel for the British Columbia Government, intimated that the railway companies were not giving him the assistance that he desired or needed in getting railway figures. This statement was given an emphatic denial by Mr. J. E. McMullen, counsel for the Canadian Pacific Railway Company.

Endorses Government's Effort

Mr. G. O. McGeer explained that "this application for reduced rates on lumber by the Associated Boards of Trade is simply an endorsement of the application of the Attorney-General of the Province for a general reduction in rates, but through some error in the preliminary correspondence the question of lumber has come to the front on this application."

"Our application is against the mountain scale, and wherever we find it we will attack it. We are no more interested in lumber than any other line of business, but the mountain rate which we are attacking is heavily reflected in the freight rates on lumber."

"It is cheaper," said Mr. McGeer, "to get water-borne lumber from the Pacific Coast to New York than it is to ship it to Calgary. The present scale jumps the price from \$17 to \$19 a thousand feet for the six hundred miles haul East."

Mr. George Warren, president of the Associated Boards of Trade of Vancouver Island, testified that it was the high freight rates through the mountains that have been strangling business on the Coast, and said that it was time something should be done to get a reduction of these rates. "At a recent convention of the Associated Boards of Trade on Vancouver Island I decided to request a general reduction of freight rates from British Columbia to the interior of Canada, and the Boards of Trade emphatically endorsed the action of the Attorney-General in asking for a revision of rates," Mr. Warren declared.

Cause of Unemployment

Mr. G. H. Walton, president of the Sidney Board of Trade and head of the Sidney Mills, Limited, told the commissioners that "business cannot be carried on where one class in the community is getting an unfair proportion of the results of labor. Whatever the railroads take in excess of what is equitable, the labor producing what the railroads get must take that much less, and we hold that unemployment is very largely due here to the present freight rates."

"Constant rumors have appeared in the public press which have apparently emanated from the Railway Board concerning the probability of a rate reduction. These rumors have caused buying to stop. People are delaying buying in the hope that reduced rates and reduced prices will come within a few weeks. The sawmills of Vancouver Island have all lost money owing to the present unemployment."

A Beautiful Complexion & Admiration

Ladies—A few days' treatment with **CARTER'S LITTLE LIVER PILLS** will do more to clean up the skin than all the beauty treatments in creation. An imperfect complexion is caused by a sluggish liver. Millions of people, old, young and middle aged, take them for Biliousness, Indigestion, Headache, Dizziness, Stomach and Bowel Trouble, and they get the benefit of it. Small Box—Small Price.

UNIONIST MEETING

An organization meeting in the interests of Mr. C. H. Dickie, the National Liberal and Conservative candidate, will be held in St. Mary's Hall, Oak Bay tonight.

equal freight rates," Mr. Walton said. Commissioner McLean replied that the Board was responsible for its actions, not for rumors. At this stage of the inquiry Mr. McGeer stated that he could not get the help he wished from the railway companies. He said that he had experienced difficulty in getting figures from the headquarters of the different railroad lines.

Mr. H. H. M. Temple, general solicitor of the Canadian National Railway, said that Mr. McGeer could get the figures he wanted concerning the operations of that system from Toronto.

Mr. McGeer considered it very "surprising" that he could not get figures relating to the Pacific divisions of the railways without delay. "You jump a question on me without any notice and I am not able to answer it here now," Mr. Temple protested.

Mr. McGeer said that he had filed a request for information with the Canadian National Railway officials last March. "Whenever I ask for information I am answered in strictly technical terms. If the railway companies are really desirous of facilitating the inquiry they can make the work of the Board a good deal easier and shorten the inquiry by giving us a little co-operation in getting information. Surely there is nothing to hide."

Commissioner McLean recalled that the Board had expressed a wish during its Vancouver sessions that all reasonable assistance should be given Mr. McGeer in getting the information he wanted. The Board expected that there would be reasonable co-operation between the two sides in the freight rates discussions.

Mr. J. E. McMullen, counsel for the Canadian Pacific Railway, protested that Mr. McGeer had withdrawn the suggestion that there was a lack of co-operation at the Vancouver sitting, and he could not understand why he should repeat it here. He presented any suggestion from Mr. McGeer that the companies are not co-operating with him.

Cowichan Agency Retained

There was an exhaustive argument with regard to the application of the Esquimalt & Nanaimo Railway Company for authority to close its agency at Cowichan Station. Mr. Collins Wallich, who appeared for the Cowichan Ratepayers' Association and the Duncan Board of Trade, explained that the amount of business at this station did not show up in the freight traffic altogether because it was essentially a residential district, and much of the passenger business went to the credit of outside points. The freight traffic at this point was not in whole car lots but in broken cars, and there was need therefore that an agent should be there to see to its proper distribution. He said that while the earnings at the station were strictly below the prescribed amount, there was a large amount that did not show up because of the above reasons.

Colonel Moss appeared for the Ratepayers' Association of Cowichan District and Mr. R. M. Palmer for the Farmers' Association. Their evidence was not required by the Commissioners, however, they deciding to render a decision against removal of the agent on the sole testimony of Mr. Wallich.

Dr. S. J. McLean, Assistant Chief Commissioner, said Dr. C. R. E. Rutherford, the two members of the Railway Board who attended the sitting.

The application of the City of Victoria for the approval of plans and profiles showing the crossing over the proposed common user line under the Esquimalt & Nanaimo Railway Company's main line at the western end of the Johnson Street bridge was considered and referred to the Board's engineer.

The Board will leave Victoria for Cranbrook today, where the next sitting will be held.

**SEEK UNITED FRONT
ON PROPERTY LEVY**

General Membership of Chamber of Commerce Will Record Itself Regarding Provincial Tax

Paving the way for united action in urging the Provincial Government to abolish the personal property tax, the Chamber of Commerce will call a meeting of the whole membership within a few days for the free discussion of the subject, so that the Chamber as a whole may take action one way or the other.

The Vancouver Board of Trade has already gone on record as a body against the personal property tax, according to a wire received yesterday by General Secretary A. Gordon Scott. The retailers and wholesalers of the Victoria organization have passed resolutions condemning the levy, and if the action taken by the general meeting is in support of their contention, a joint onslaught by Victoria and Vancouver business interests will be made against the tax during the present session of the Legislature.

As a possible alternative to the property tax, Mr. J. O. Cameron suggested to the directors that a tax on gasoline be proposed.

Mr. Herbert Cuthbert stated that Oregon collected \$2,000,000 from that source last year. Other speakers held that such a tax should be shared with municipalities and devoted to highway construction and maintenance.

The directors endorsed the "Get-A-Vote" campaign being started by the Gyro Club in connection with the municipal registration, this being in line with the policy already adopted by the Chamber.

Killed in Tunnel Accident
TORONTO, Oct. 24.—Miss McKerracher, 21, formerly of Toronto, was killed in the Canadian Pacific Railway wreck at Pullman, B.C., on last Thursday, according to a message received here Saturday by friends. She was a son of Peter McKerracher, of Kilmarnock, Ont., and was returning home after spending four months in Vancouver.

**ARE WELCOMED
AT WASHINGTON**

Admiral Earl Beatty, General Diaz and Baron Jacques Arrive at Capital—Flag Incident at New York

WASHINGTON, Oct. 24.—Each occupying with his suite a separate car on a special train, General Diaz, Admiral Earl Beatty and Baron Jacques arrived at 2:30 p.m. Sunday, from New York.

General Diaz was the first to leave the train. Earl Beatty, with Lady Beatty and their son, were then welcomed formally, and after them Baron Jacques and his party.

There were brief receptions in the President's room in the station. A marine band played the Italian Royal March. This was followed by "God Save the King," "La Brabançonne," the Belgian national air, and "The Star Spangled Banner."

Each preceded by a troop of cavalry, the three parties left the station separately, the route of march carrying them past the Capitol and over Pennsylvania Avenue. General Diaz went to the Willard Hotel, Admiral Earl Beatty to the Sixteenth Street home of Lady Beatty's mother, Mrs. Marshall Field, who greeted them at the station, and Baron Jacques to the Belgian Embassy.

A New York paper reports a civil official as stating a civic ordinance had been discovered which prevented the flying of a foreign flag over the city hall. This obscure civic measure had not been discovered, he said, until after the welcome given General Diaz on Wednesday.

While the Union Jack did not occupy the position of honor at the city hall, it fluttered from that position on the flagstaffs on Broadway buildings for the first time in many months.

**SHOULD PROTECT
THEIR STATUS**

Premier Smuts Says 'Dominions Ought Not to Be Represented at Washington Without Invitation'

PRETORIA, Oct. 24.—In the opinion of General Jan Christian Smuts, the South African Premier, South Africa has no direct interest in the Pacific and did not look for an invitation to the Washington conference. The Premier gave his views Saturday in a speech which concerned Dominion representation at the conference. If the other Dominions were going to attend without a direct invitation through diplomatic sources, he believed a serious setback would be given the status of Dominion statehood and nationality which they achieved at the peace conference. All the Allies recognized the Dominion status as equal states, and the United States alone, by not ratifying the

peace treaty, had remained out of the general confederation.

Moreover, he added, the United States alone had raised the question of their new status by declining to agree to their separate voting power in the League of Nations.

The Pacific Dominions, Premier Smuts declared, had the right to be invited to the conference, just as China, Holland and Portugal; if they did not receive an invitation but nevertheless attended as part of the British delegation, a bad precedent would be set and the United States challenge to Dominion status would not have been met in the proper spirit.

"If South Africa is to appear at an international conference, it will be in her own right, and not covered by the international rights of the British Government," he said.

"The question of Dominion status

affects South Africa very closely, and I trust nothing will be done to prejudice that status at the present important juncture."

PRESENTS PLEA FOR NICOMEN SETTLERS

Conservative Member for
Dewdney Raps Government
for Failure to Conserve Interests of Farmers

An amendment to the address in reply to the speech from the Throne, introduced by Mr. John A. Catherwood, Conservative member for Dewdney, regretting the fact that the attitude of the Government toward the petition of settlers in dyked areas for effective action toward securing their dykes against destruction by erosion of river banks, featured the debate on the speech in the House yesterday afternoon.

The member for Dewdney, armed with considerable correspondence as regards Nicomen Island, which has been a matter of difference between the Provincial and Dominion Governments for several years, dealt with the present financial status of the settlers in that region who, according to Mr. Catherwood, have suffered a loss of their crops two years in succession and are about at the end of their tether.

Mr. Catherwood said he regretted very much the attitude of the Premier and the Government in respect to the petition presented by the settlers of Nicomen Island, and backed up by the boards of trade from New Westminster, Vancouver and Mission. Disaster had befallen these settlers two years in succession, so that they had become disheartened, disheartened, and a great many of them broke financially. The area affected was between four and five thousand acres, and had a population of about 400, all happy and contented people who were engaged in the small fruit business prior to the two floods of 1920 and 1921, respectively. The loss during the two years had amounted to something like \$250,000.

Surely, asked Mr. Catherwood, if Sumas prairie was worth reclaiming at a cost of \$60 to \$100 an acre, Nicomen Island is worth protecting at \$30 an acre, especially in view of the settler being on the ground there.

Dominion's Offer
In his evidence presented yesterday, Mr. Catherwood stated that in 1920 the Dominion Government had agreed to go fifty-fifty in the matter of dyke protection and repeated the offer in 1921.

This offer, according to the Dewdney member, still stands, although the Premier, at a recent meeting held in Vancouver, when delegates of the above mentioned boards of trade were present, had gone on record as being opposed to the spending of money on the island for dyke protection.

Referring back to the situation in 1910, Mr. Catherwood charged Premier Oliver with having acted against other governments, meaning the then McBride regime, which was in power. He cited an instance in 1910 where Mr. Pugsley, when Minister of Public Works at Ottawa, proposed a vote in repayment to the municipality of Delta of money spent on protection work, and made the payment conditional of a like amount from Victoria. Being asked why this proviso appeared, Mr. Pugsley said it was suggested to him by Mr. John Oliver, who represented it as the duty of the Government at Victoria to make this contribution.

During all these years, stated Mr. Catherwood, the Ottawa Government had been spending money freely for river works under the camouflage of supposed improvement to navigation. But always there had been a disclaimer from Ottawa of responsibility for river bank protection generally, either in British Columbia or elsewhere.

A few months after the letter of Mr. Pugsley referred to, Mr. Oliver became the candidate of the Ottawa Government for the district in which Nicomen Island is situated. As a supporter he supported all features of the policy of the then Government.

But when this Mr. Oliver became member for the district at Victoria, and a minister there, and found the Government of another stripe at Ottawa, his attitude suddenly changed. He commenced a filibuster against farmers at the cost of the unfortunate Catherwood, who foolishly had believed his professions of friendship for them. By himself and his colleagues he claimed that the Provincial Government had no responsibility for the protection of river banks, and that they did not carry on such work in the province. Not content with repudiating all responsibility for the future, Mr. Oliver, claimed Mr. Catherwood, became the censor and critic of federal assistance in the past and is credited with dictating, if not writing, a message to Ottawa claiming that recent large federal expenditures with the hope of aiding Nicomen were responsible for the disaster of 1916.

"This offer of co-operation, with the heavy burden on Ottawa and the light one on Victoria, is still good, and the Premier, in face of representations, plans to leave the settlers to their fate so long as the present ministry rules at Victoria."

As a member of the legislature representing the district confronted with the ruin he had described, Mr. Catherwood felt it was incumbent upon him to secure a verdict from the House on the case, and he therefore moved the following resolution:

"This House regrets the attitude of the Government towards the petition of settlers in dyked areas for effective action toward securing their dykes against destruction by erosion of river banks."

OBITUARY NOTICES

FORDY—The death occurred Sunday at her home, 241 Cedar Hill Road, of Mrs. Elizabeth Ann Fordy, aged eighty years. She was born in Campbellford, Ontario, and had resided in this city for the past thirty years. The late Mrs. Fordy is survived by two sons, Thomas, of Port Kells, B.C., and James Norman Fordy, 107 Wilson Street, city; also four daughters, Mrs. William Craig and Mrs. Robert Craig, of Moose Jaw; Mrs. Charlotte McEachern, of Milland, B.C., and Mrs. C. Hogan, of 2941 Cedar Hill Road; also forty-two grandchildren and thirty-five great-grandchildren. The funeral will be held Wednesday afternoon at 2:15 o'clock, from the Bands Funeral Chapel. Interment will be made in the family plot, Ross Bay Cemetery.

FUTCHER—The funeral of the late Emily Flora, beloved wife of Mr. Thomas S. Futcher, will take place privately this afternoon, Rev. G. H. Andrews officiating at the service. The remains will be laid to rest in Ross Bay Cemetery.

RUDLAND—The funeral of the late Arthur Charles Rudland took place yesterday afternoon from the B.C. Funeral Chapel, 1101 Douglas Street, where service was conducted by Rev. A. deB. Owen. Several friends were present and the casket was covered with floral tributes. Interment took place in Ross Bay Cemetery. The following acted as pallbearers: Messrs. G. D. Christie, J. R. Saunders, E. S. Mitchell, Arthur Cole, S. M. Manuel and P. B. Schmeckel.

FINDLAY—Funeral services over the remains of the late Thomas Findlay were held at St. Andrew's Cathedral yesterday morning. The service was held at 10 o'clock, and the Rev. C. W. Dyer, minister of the B.C. Funeral Chapel, officiated. The service was held at 10 o'clock, and the Rev. C. W. Dyer, minister of the B.C. Funeral Chapel, officiated. The service was held at 10 o'clock, and the Rev. C. W. Dyer, minister of the B.C. Funeral Chapel, officiated.

TYSON—The death occurred on Sunday, the 23rd inst., at the family residence, Wilkinson Road, of Elizabeth Kate Tyson, wife of Mr. S. Tyson. The late Mrs. Tyson was fifty-eight years of age, a native of England and a resident of Victoria for the past eleven years, formerly residing in Winnipeg, Manitoba. She is survived by her husband, one son, Mr. J. E. Tyson, residing in Edmonton, and two daughters residing in Victoria, Mrs. T. Cameron and Mrs. N. Tyson. The remains are resting at the Thompson Funeral Home. The funeral will take place on Wednesday afternoon at 2:30 o'clock, Rev. H. V. Hitechox officiating. Interment will be in Ross Bay Cemetery.

DOUGLAS—The remains of the late Mr. R. W. Douglas, who died last Friday in Vancouver, are being brought to Victoria, and will reach here this afternoon, and the funeral will take place from the B.C. Funeral Parlors at 3:30 o'clock today. Mr. R. C. J. Ware, first reader of the First Church of Christ, Scientist, will officiate. Interment will be at Ross Bay Cemetery. The late Mr. Douglas was a member of the Vancouver branch of the firm of Douglas, McKay & Co., and was well known to the members of the insurance profession; although he had been in the city for only two years. He had attained to the highest office in the "Blue Goose," a fire insurance society of Vancouver, which organization in this morning holding funeral services before the remains are shipped to Victoria. Mr. Douglas was a member of the Kiwanis Club. Besides his widow and son Allan, both of Vancouver, there survives one brother, Robert; two sisters in Victoria, Miss Beattie Douglas and Mrs. John Clark, and a third sister, Mrs. Higney, of Wilkeson, British Columbia.

GYRO CLUB SIGNS UP ITS MEMBERS

Notary Public Takes Declarations for Civic Voters' List at Weekly Luncheon Yesterday

The Gyro Club had its own notary public on hand at its weekly luncheon in the Criterion Club yesterday, armed with a bundle of registration forms, to take the declarations of Gyros wishing to have their names placed on the civic voters' list. The club has for its aim the enfranchisement of every man who is eligible and at the luncheon added considerably to those who have already placed their names upon the voters' list. During the afternoon the notary public, Gyro Hubert LeBlay, sailed upon Gyros not at the luncheon and gathered in further registrations. The Gyro "Get a Vote" campaign is meeting with enthusiastic endorsement, a number of organizations having already passed resolutions of commendation.

CHAMBER TO STAGE DRIVE FOR MEMBERS

American City Bureau Expert
Coming to Supervise Campaign—Directors Appoint Executive Committee

Determined to make the second membership drive as successful as the first, directors of the Chamber of Commerce, at their luncheon in the Dominion Hotel yesterday, completed preliminary arrangements for the campaign.

They appointed an executive campaign committee composed of President James H. Beatty, Vice-President B. C. Nicholas and Messrs. Sam J. Drake, J. O. Cameron, George I. Warren, Carl J. Pendray and George McGregor. Canvassing teams will be named in a few days and these will set down to business at the end of the month.

It was announced that Mr. Lynn W. Mowat, of the American City Bureau staff, will arrive in Victoria Friday, October 28, to take command of the supplementary membership campaign. His visit constitutes a part of the service rendered to the Chamber of Commerce by the arrangement with the Canadian City Bureau of Toronto, which conducted the original reorganization campaign last December, resulting in more than tripling the personnel of the organization.

Several routine matters were dealt with by the directors. Arrangements will be made by the Chamber to receive the party of Japanese business men accompanying the Japanese delegation to the armament conference at Washington.

The directors endorsed President Beatty's action in expressing the appreciation of the Chamber to members of the Musicians' Union for their generous spirit in rendering their services to the Hospital Benefit Ball last week.

PROPOSE MERGER OF MUNICIPALITIES

Chamber of Commerce Will Ask Candidates for Civic Office to State Views on City Manager System

Proposals for a municipal merger which would bring about the amalgamation of Saanich, Oak Bay and Esquimalt with the city of Victoria were revived yesterday by members of the Chamber of Commerce engaged in retail business, who held a luncheon meeting in the Dominion Hotel. Chairman P. C. Abell presided.

General reform in the city's municipal government and advisability of instituting the city manager form here, were matters under discussion, and the meeting passed a resolution calling on candidates for the December election to make clear their platform or through the press their attitude respecting the city manager plan. They will be invited to appear before a forum meeting of the Chamber of Commerce as well to explain their views on municipal issues.

"The trouble with our municipal government is not the form, but the type of men who are elected," declared Mr. C. W. Dyer. "Some of the men who are elected are a standing disgrace to the city."

Mr. Gordon Jamieson, chairman of the civic affairs committee of the Chamber, was the principal speaker. He said that the present form of City Council government was a democratic as could be devised. The fault was with the members of the Council, who fancied that they were elected as executives, whereas their real purpose was to fix broader policies of administration and enact legislation. As some of the qualities that should be looked for in candidates, Mr. Jamieson mentioned as instances that the successful men or women nominees should be of broad vision and capable of reconciling their views with those of adjacent municipalities respecting issues of joint interest. They should be in a position to give their views on the reversed land problem prior to election, and declare themselves for or against a municipal housing campaign on a private or public basis, and put in operation here if a sympathetic Council could be elected. Victoria's present form of government, he said, could be described as a city manager nature in theory, but the members of the Council were the obstacle to its practical operation.

Discuss Amalgamation
Mr. Dan W. Poupard thought that the scope of municipal affairs should be broadened and that serious consideration should be given to an amalgamation plan which would affect the city, Saanich, Esquimalt and Oak Bay. Such a plan, he held, would unify rather than disintegrate interests that should at all times be considered of mutual concern.

Mr. Walter W. Ballard was of the same opinion, but Mr. Harold M. Diggon pointed out that the difference in taxes would probably be a deterrent to outside municipalities. If a readjustment could be arranged that did not involve a material change in the taxation, the plan might be feasible.

Mr. Diggon did not agree that the city manager plan was a good deal the same as the present form in its essential details. He pointed out that the foundation of the city manager plan was "expert" administration by an executive who really knew his business.

Mr. John Wood said many able possible candidates were prevented from accepting office by their lack of property qualification, although they had large investments in the surrounding district.

Metropolitan Y. P.—About forty members of the Metropolitan Young People's Forum were present at last night's meeting, held in the school-room of the Metropolitan Methodist Church. Mr. J. Arthur Wild led a discussion on "Dreams," in which Miss Beall, Miss Bradshaw, Mr. Hudson and Mr. Edward Andrews took part. A brief devotional service opened the evening's programme. The Forum's next meeting will be on Monday, October 31, when a Halloween social will take place in the church school-room.

City and District in Brief

To Speak on "Tuberculosis"—Dr. D. M. Batty will address the Kiwanis Club today on "Tuberculosis." He will tell of the menace of this disease and the steps being taken to prevent its spread.

Error in Kiwanis Organ—Kiwanians are asked to note that through a typographical error the time announced in "The Builder" for today's club luncheon was 12:45. The luncheon will commence at 12:15, as usual.

Equipment Police Court—John Fyfe, Foster Street, appeared before Magistrate Jay yesterday morning in the Equipment Police Court on a charge of being under the influence of liquor. The accused was fined \$50 or 30 days imprisonment in default. He chose the former alternative.

G.W.V.A. Executive—The regular semi-monthly meeting of the executive committee of the Greater War Veterans' Association will be held at 7:30 o'clock tonight in their quarters, Bastion Street. As business of importance will be discussed, a full attendance of members is requested.

East Sooke School—East Sooke School has been reopened this year after a lapse of twelve or thirteen years. Miss Ivy Noye, of Saanich, has been appointed teacher. The trustees are Messrs. A. Gillespie, James Caffery and A. Wicker.

Amalgamation Committee—A meeting of provisional ex-service amalgamation committee of the British Columbia Association on Thursday evening at 7:45 o'clock. All members of the committee are requested to attend.

In Seriously Ill—The many friends of Mr. Charles A. A. MacQueen, who is in a critical condition at the Jubilee Hospital suffering from a complication of brain troubles, will regret to learn that his condition is unchanged. Attending physicians hold no hope for his recovery.

Weekly Dances—The first of a series of five weekly dances will be held tonight in the Trades and Labor Hall, Broad Street. Dancing will be enjoyed to music furnished by the Fifth Regiment orchestra, conducted by Mr. Albert Rumsby, from 8:30 o'clock until 11:30 o'clock.

Will Address Electors—Mr. Thomas B. Booth, Liberal candidate in the Nanaimo riding for the Federal Parliament, will address his constituents in the Esquimalt Hotel on Tuesday night at 8 o'clock. He will take place at 8 o'clock tonight in Kent's Hall, corner of Constance and Esquimalt Roads.

Boy Scouts' Annual Meeting—All members of the Boy Scout Local Association are requested to attend the annual meeting to be held tomorrow evening in the Empress Hotel, at 8 o'clock. A good meeting is expected, and it is hoped there may be a large attendance of those who are interested in the welfare of the movement.

Margaret Jenkins P.T.—The regular monthly meeting of the Margaret Jenkins P.T. will take place tonight in the Margaret Jenkins School, at 8 o'clock. An address on "Food Values" will be given by Mrs. H. E. Wilson, while a musical programme will also be rendered. Members and friends of the organizations are asked to attend.

St. Mary's Mission—The members of St. Mary's Mission, who are holding their annual thanksgiving service tomorrow evening, at 8 o'clock, Rev. Robert Connor, rector of St. Saviour's, Victoria, will preside at the service.

Bridge Tea Tomorrow—Members of the Marguerite Chapter, I.O.O.F., will hold a bridge tea tomorrow afternoon at the home of Mrs. H. E. Wilson, 603 Trutch Street. Visitors will be cordially received at the tea hour, and those wishing table reservations should notify the regent, Mrs. E. H. King, phone 4715.

In Expected Soon—Miss M. F. MacDonald, agent for the Princess Theatre, said last night that Mr. O. J. Eckhardt, head of the Eckhardt Stock Company which will open in the city in about four weeks' time, will arrive in the city any day now, and will be glad to meet his old friends here.

Y.P. Society—Members of the Young People's Society of the First Presbyterian Church will officially extend a welcome to their new minister and his wife, Rev. W. C. Wilson, M.A., and Mrs. Wilson, in the church schoolroom, tomorrow night, at 8 o'clock. All members of the department and their friends are invited to be present.

Oaklands P.T.—Owing to the first Monday in November being Thanksgiving Day, the annual meeting of the Oaklands Parent-Teachers' Association will be held on Tuesday, November 1. Officers will be elected, and members are requested to be prepared when nominations are called for. At the close of the business there will be a community sing led by Mr. Pollard.

Royal Society of St. George—Rev. J. L. Batty will deliver his well-known lecture, "Canada," before the Royal Society of St. George this evening in the Victoria Club, Campbell Building, commencing at eight o'clock. It is expected that the meeting will be well attended by members and friends.

Charged With Car Theft—Brie Clinton, eighteen years old, was charged before Magistrate Jay in the City Police Court yesterday with the theft of two motor cars, one the property of A. M. McLean, the other of the Tourist (Drive Yourself) Auto Livery Company. The magistrate told the defendant that election as to summary trial and pleading to the charge could be deferred until the defendant had had an opportunity to consult with his parents or with legal counsel. The charge was formally remanded until today.

Equimault P.T.—There will be a special meeting of the Equimault Parent-Teachers' Association in the Assembly Hall of the school on Wednesday evening, at eight o'clock. Mrs. MacLachlan, of the Provincial Child Welfare Department, will speak on child welfare. Dr. Forsyth, on establishing a dental clinic, and Dr. McCallum, on vaccination. During the evening vocal solos will be rendered by Miss Boyden, Miss M. Merry, and all who are interested in the subject of child welfare are invited to attend.

World Delay One-Man Car—In an eleven-hour attempt to halt the introduction of the one-man car in Victoria, the City Council last night passed a resolution, proposed and seconded by Alderman Dingelde and Fulton, asking for delay until a demonstration of service has been made, and another resolution moved by Ald. Sargent, seconded by Ald. Woodward, that if the one-man car is necessary, its inauguration here should be postponed until the Spring in order not to intensify unemployment during the winter. Ald. George Sanger advised the Council to ascertain its powers before taking any action.

Unsealed Liquor Charge—For having in his house 27 bottles of unsealed liquors, mostly whisky, the same not being sealed with the official Government seal, Charles McAllister was fined \$50 in the City Police Court yesterday, and the liquor was ordered confiscated. Pleading guilty on behalf of his client, Mr. J. H. Green said that the liquor was bought months ago; that application for seal had been made on occasion when the Government officials had not been ready and it was only an oversight that the regulation had not since been carried out; and that there were many private liquor stores in the city in the same category with that of the defendant.

Equimault Council—The Equimault Council last night referred Mr. H. H. Nunn's request for a chair as a constable of the district back to the Police Board for consideration. Councillor Pomeroy's suggestion that the clerk write Mr. A. T. Goward, manager of the B.C. Electric Railway, asking what provision will be made to handle traffic during the rush hours should the one-man car system be put into effect, was approved. Property owners whose lands encroach on Equimault Road between Head and Macaulay Streets will be informed that they must move their fences or stores back four feet during the next 30 days. The Equimault municipal hall will remain open on Friday until 5 p.m. and on Saturday until 1 p.m. to permit residents of the district to register.

Hindoo Celebrant Fined—Jowalla Singh was fined in the sum of \$15 and had his liquor permit for the year cancelled, after pleading guilty before Magistrate Jay in the City Police Court yesterday to the charge of being intoxicated on Belleville Street on Sunday morning. The defendant said that he and his friends had been celebrating on Saturday night the departure of certain of their compatriots from India. Constable Ferguson testified that the accused drove a horse and rig to the danger of the public, the accused being too drunk to know what he was doing. The defendant testified that he purchased a bottle of rum from the Government Liquor Store, and on tendering his \$5 yearly permit in evidence was told that the latter would be cancelled.

Victorian Successful—A gross dispatch from Ottawa yesterday stated that as a result of the October examination held in Montreal for admission under the Medical Act of W. J. Cochrane, Victoria, and A. W. Young, Revelstoke, were among those who were successful. Dr. W. J. Cochrane of this city, and since graduating in medicine at McGill in 1918 has been taking a post-graduate course at the Royal Victoria Hospital, Montreal.

Oppose One-Man Car—The Esquimalt Council last night unanimously recorded its opposition to the B. C. Electric Railway's intention of operating one-man cars on their Sunday routes. The resolution followed the reading of a communication from Mr. A. T. Goward, the manager of the company, in which the consequences were requested to read all available data regarding the new safety one-man cars which are now being made at Preston, Ontario.

New Salt Water Bath Scheme—A letter from Mr. W. E. East relative to a new scheme for the establishment of salt water swimming baths at a cost of \$150,000, on the south side of Belleville Street, between Douglas and Esquimalt Roads, was received by the City Council last night to the Chamber of Commerce. Ald. Harvey said this organization was in possession of data bearing on the erection of swimming baths as part of a general amusement centre scheme.

An Optical Illusion—Mr. D. M. Kunkally, of Seattle, field manager of the Carnation Milk Products Company, of Arroyo, Cal., is presenting an optical illusion in Spence's grocery store during the present week. A can of carnation milk, which is suspended from a bracket, never empties itself while flowing into a large pitcher, which never becomes filled. A large number of people were endeavoring to figure out the mechanism of the device yesterday, but few were successful.

Five Hundred Drive—The Princess Patricia Lodge, Daughters of St. George, will hold a five hundred drive on Friday, October 28, on Douglas Street tomorrow evening. There will be eight good scrap prizes and two special prizes for ten bid. All attending are requested to bring a plan. The committee in charge consists of Messames Donaldson, Lorry and Pownall. Mrs. Coleman, president of the lodge, has again kindly consented to convene the games.

Friendship Club Dance—With an excellent musical programme by Mr. Perry's orchestra, and nearly 100 young people present, the Friendship Club held its fifth weekly Saturday evening dance in the K. of P. Hall. The committee wishes to announce that the beginning of the season every Saturday from 7:15 to 8:15 p.m. and Wednesday afternoons from 3 to 4. Those requiring invitations for the season should apply immediately to the secretary of the club at the K. of P. Hall.

Mrs. Lilian Taylor Tells How Cuticura Healed Her Baby
"Our baby was two weeks old when his face became very red and terribly itchy, and he was fairly crazy rubbing and scratching till his skin bled and he could not sleep, and did nothing but cry. His face looked as though he might be disfigured for life."
"I thought I would give Cuticura Soap and Ointment a trial. I found the fine example of Cuticura Soap and a fifty-cent box of Cuticura Ointment healed him." (Signed) Mrs. Lilian M. Taylor, Box 99, Brockbridge, Muskoka, Ont., Dec. 30, '18.
Cuticura Soap to cleanse and purify, Cuticura Ointment to soothe and soothe and Curyden Tan's powder and perfume are ideal for daily toilet purposes.
Sole U.S. Distributors, 28 and 30, South Street, New York, N.Y. Canadian Distributors, Limited, 24, Fort St., Vancouver, B.C. Cuticura Soap always without fail.

There will be no charge for admissions.

To Make Licenses Voters—Ald. Eugene Woodward gave notice to the Council last night that at the next meeting he will move that trades license payers in the city of Victoria become automatically eligible as voters in the municipal elections. At present they must pay the road tax as well as their license fees. This change was an amendment to the Municipal Act, it was explained.

W.A. to Jubilee Hospital—The Women's Auxiliary to the Jubilee Hospital will hold their regular monthly meeting tomorrow afternoon at 3:30 o'clock, at the Nurses' Home. Members are requested to note the change from meeting on Tuesday to the last Wednesday of the month, which was made owing to the second meeting in the month of the Women's Canadian Club, formerly held on the same day as the W.A.

Distribution of Certificates—The committee wish to thank the following ladies and gentlemen who helped to make the distribution of Associated Board certificates such a complete success: The Rev. G. H. Anderson, who made chair as chairman; Miss Marie George and Miss Gladys Hewlings, who were responsible for the beautiful floral decorations on the platform, and Messrs. W. C. Cockett, W. J. Bridge, Cranston, Campbell, Hewlings, Milton and C. Richmond, who kindly acted as ushers.

Lantern Lecture—On Friday evening at the Girls' Central School Mr. A. H. Maynard will deliver a lantern lecture, showing scenes of Old Victoria and the Cariboo of fifty-three years ago. The address will be of exceptional interest. Mr. Maynard is a speaker of no small repute, and will deliver this lecture under the auspices of the Florence Nightingale Chapter, I.O.D.E. The members of this chapter are also presenting the school gramophone.

Provincial Police Court—C. D. Chugranes was charged in the Provincial Police Court yesterday with unlawfully going with firearms upon the Cedar Hill Pheasant Farm, being enclosed lands in Saanich, without the consent of the owner. The defendant pleaded guilty and was fined by Magistrate Jay in the sum of \$15. The charge was laid on the information of Provincial Game Warden S. W. Long. Mr. O. J. Wicks appeared for the Provincial Police.

Victorian Successful—A gross dispatch from Ottawa yesterday stated that as a result of the October examination held in Montreal for admission under the Medical Act of W. J. Cochrane, Victoria, and A. W. Young, Revelstoke, were among those who were successful. Dr. W. J. Cochrane of this city, and since graduating in medicine at McGill in 1918 has been taking a post-graduate course at the Royal Victoria Hospital, Montreal.

WEDDINGS

Wilson-Shaw

A very pretty wedding was solemnized on Saturday afternoon, October 22, at the residence of Mr. and Mrs. A. O. Maymirth, Doncaster Drive, Saanich, between Cyril Stafford Wilson, of Victoria, and Beatrice May Shaw, of London, England. Rev. Dr. Campbell officiated at the ceremony. A very pleasing affair, hymns being sung as the bridal couple stood under an arch of ivy and red and white chrysanthemums to read all available data regarding the new safety one-man cars which are now being made at Preston, Ontario.

After the ceremony a wedding luncheon was partaken of by Mr. and Mrs. Wilson and assembled guests, mostly relatives and friends of the bride and groom.

Many and beautiful presents were on view. The bride's gift to the groom was a handsome engraved silver ring, and the groom's gift to the bride was a charming pendant and necklace. The bridesmaid and groomsmen received a pearl sunburst and gold cuff links, respectively.

After the reception the happy couple left for a tour of the Sound Islands on their honeymoon, and on their return will make their home in Victoria.

Mr. Wilson is a veteran of the Great War, and received the Military Medal for conspicuous bravery on the field.

Mr. Kenneth Reid, son of Mrs. J. W. Reid, of Glenora, Metcoshin, returned recently from the prairies, where he was engaged in the harvesting. Mr. Reid reports only working twenty-one days out of the thirty-five days of his stay there, on account of bad weather. He is now resuming his engineering studies at the Sprott-Shaw College.

Made-in-Victoria Week

Today we are continuing our special demonstrations of "Made in Victoria" goods. These demonstrations are being held in the Lower Main Floor, and feature several well known and reliable lines of commodities manufactured in Victoria. A cordial invitation is extended to all housewives and others to visit us during these demonstration days. By supporting local manufacturers, you are, in a very practical way, helping to make Victoria more prosperous. The following are some of the lines which we take pleasure in recommending, and which are now being demonstrated:

Jameson Coffee Co.
Coffee and Baking Powder.

W. J. Pendray & Sons, Ltd.
White Swan and Royal Crown Soap, Ammonia, Sal Soda, Etc.

Brackman & Ker Milling Co.
Purity Flours Rolled Oats, Wheat Flakes.

Ormond's, Ltd.
Full lines of Fancy Biscuits.

Hiker Manufacturing Co.
Kiddy Kars, Scooters, Wheelbarrows, Rockers, Etc.

Bapco Paints

Bapco Floor Varnish, Bapco Pure Paints, Ironite Floor Paint, Porch Floor Paint, Art Enamel.

Bryten-al Liquid Silver Polish

Cleans Silver, Gold, Brass, Cut Glass, Mirrors, Aluminum, Porcelain, Etc.

Sidney Roofing & Paper Co.

Asphalt Building Paper, Plain Building Paper, Premium Perfected Roofing Paper, in 1, 2 and 3-ply rolls.

CINDERELLA WILL BE HELD ON FRIDAY

Members of Camosun Chapter, I.O.D.E., Make Elaborate Plans for Young Guests and Adults for Halloween

The greatest interest is being taken both by kiddies and grown-ups in the Halloween dance to be held on October 29 at the Alexandra House under the auspices of the Camosun Chapter, I.O.D.E. The success which has attended the former Halloween parties given by the Chapter is in itself a happy assurance to all intending patrons, and this year again an energetic committee has been hard at work arranging the final details for the affair, which will doubtless be one of the early Winter season's most enjoyable dances.

Between the hours of 4 and 5 the younger guests will have entire command of the ballroom and will be joined at 5 by adults, who will dance until midnight, with Heston's orchestra in attendance. During the afternoon the University School band will provide the music, with the assistance of the Rev. Col. Andrews, and tea will be served at 3:30 o'clock, preceded by a grand march, under the management of Mrs. Simpson. Two prizes will be presented for the best dressed child and the second best dressed adult. The contest will be presided over by Mrs. David Miller, Mrs. H. P. Hodges and Mrs. W. W. Brentzen. A candy stall will also be erected, and numerous Halloween frolics will be introduced into the programme, such as bobbing for apples, popping corn over a fire, and witches who will deliver into the future. The guessing contest for the beautiful doll presented by Mrs. Hedley Croft will also be completed at the dance.

Fancy dress will be optional, and the arrangements for the Cinderella should insure a most pleasant afternoon and evening for the Chapter's guests.

TENNIS CLUB DANCE

Halloween Entertainment Arranged by Members of Kingston Street Club

Preparations for the Halloween Dance to be held by the Kingston Street Lawn Tennis Club at the K. of C. Hall, 904 Government Street, on Monday, October 31, are well under way and the committee in charge of the arrangements is sparing no efforts to ensure the success of the entertainment. The hall will be decorated for the occasion, many thousands of feet of orange-colored and black streamers being used for the purpose, while the lights will diffuse a mellow radiance over the scene through specially made lamp shades of weird and wondrous design. The refreshments will again, as on the occasion of the last club dance, be provided by the ladies of the club, which places the excellency of this very vital part of the entertainment beyond a doubt.

Tickets have been in the hands of a number of club members for the past week and their reports of sales to date indicate that a large attendance may be looked for, and intending patrons are advised to secure their tickets early to prevent disappointment, as the number of tickets for sale is strictly limited to the capacity of the hall and none will be sold at the door. Tickets may also be purchased from Mr. C. W. Heaton, at Spencer's music department. Dress will be informal.

That Dry Cough Is Bronchitis

If neglected it will weaken the throat and perhaps reach the lungs. Nothing more to help you quickly than the healing, soothing vapor of Catarrhene. Its action is magical, every congested spot is healed, irritation is soothed away, phlegm and secretion are cleaned out, all symptoms of a cold, throat, Catarrhene disappears. Catarrhene is a genuine, scientific preparation, and is everywhere in three sizes, 25c, 50c and one dollar for a complete two-week treatment. Prepared by the Catarrhene Co., Montreal. (Adv.)

APPEALS TO ALL WOMEN TO BECOME VOTERS

In giving my hearty endorsement of the "Get a Vote" Campaign of the Gyro Club, I would like to make an appeal to the women of Victoria to see that they get upon the civic voters' list by October 31, in order that they may vote in the coming municipal elections. It is particularly desirable that the women have a voice in the choice of the School Board, for it is the trustees who indirectly can do so much good for the children in whom the lives of the mothers are centred. Women have long battled for equal rights. Does it not behoove them to utilize those powers accorded them? I understand that the women so far have not registered in any considerable number. I am hopeful that they will not forget their duty as citizens.

MARGARET JENKINS.

SOCIAL AND PERSONAL

Mr. Montague Bridgman left recently on a trip to the Old Country.

Miss Iris Hurton, of Victoria, is visiting in Vancouver, the guest of Mrs. Felling, Point Grey.

Mr. and Mrs. B. G. Robson, of Bella Bella, are receiving congratulations on the birth of a daughter.

After a few days spent in Victoria Mrs. C. A. Welsh has returned to her home in New Westminster.

Mrs. John Irving is the guest of Mr. and Mrs. J. Ogden Graham, St. Charles Street, for the coming week.

Miss Anna McBride and Miss Helen Goward have returned to Victoria after visiting at Cowichan, the guests of Mr. and Mrs. Marshall Beck.

Mr. and Mrs. J. R. Christensen, of Jordan River, B.C., are receiving congratulations on the birth of a daughter on October 22, at Sooke, B.C.

Mrs. W. H. Hargrave entertained a few friends at dinner on Thursday evening at her residence, in Joan Crescent.

Mr. G. C. Johnston and his daughter Rosemary have returned from Montreal, where they spent the week-end with relatives.

Mr. R. Gibb, arrived on Sunday evening from Westholme, and is visiting Mr. and Mrs. F. Barber-Starkey, Goldsmith Road.

Mr. and Mrs. Oswald Parker have moved into their new apartments at the corner of Fort Street and Linden Avenue.

Mr. and Mrs. K. R. P. Dennison were the hosts at a delightfully informal Saturday afternoon afternoon after the J.B.A. and Wanderers' football match.

Friends of Mrs. T. W. Spouse, of 339 Pandora Avenue, will be pleased to know that she is home again after undergoing an operation at the Jubilee Hospital.

Mrs. H. R. Mustard, of 701 Sylvia Court, Vancouver, left for home on Friday, after spending a week at the guest of Mrs. J. Mustard, 559 Michigan Street.

Miss Catherine Bagshaw was the guest of honor at a surprise party given in her honor on Saturday evening at the home of Mrs. T. A. Johnston, at McCune Street. About twenty guests were present.

Mr. and Mrs. J. W. Jones, of Kelowna, have arrived in the city and are at present staying at Suite 13 of the Mount Edwards Apartments, on Vancouver Street. Mr. Jones, who is the member for South Okanagan, has come to take his seat in the Legislature.

Mrs. Wilgosa, who has been visiting her son and daughter-in-law, Mr. and Mrs. Frank Wilgosa, of Oak Bay, for the past fortnight, expects to return to Vancouver in the early part of this week, and will spend a few days here again before sailing for the Orient in the near future.

Dr. D. E. H. Cleveland and family, of Montreal, are guests of Mr. and Mrs. G. Maxwell Carter, of Fernside, at 1001 West 10th Street. Dr. Cleveland, who is an old Victorian, has been in the East for the last twelve years and intends spending the Winter on the Coast before leaving for Europe to pursue post-graduate studies.

Among those registered at the Dallas Hotel are: Captain T. W. Wright, of Vancouver; Mr. J. E. Steele, of Kelowna; Mr. F. P. Taylor, of Victoria; Capt. A. P. Taylor, of Nanaimo; Mrs. H. R. Baxter, of Bremerton, Wash.; Capt. Roberts, of Vancouver; Capt. Moody, of Vancouver; Mr. W. G. Brown, of Deep Bay, Vancouver Island; Captain Edwards, of Vancouver.

A delightful surprise party was held on Friday evening at the home of Mrs. A. Davies, North Dairy Road, in honor of the birthday of her sister, Miss Daisy Sawbridge. Games were played and a very pleasant evening was spent by all. Among those present were Miss Jennie Hedley, Cecil W. Davies, Bob Wilson, Winnie Davies, Sydney McKay, Elsie Davies, Beulah Ferguson, May Parsons, Norma Beal, G. W. Davies, John Hadfield, Dutch Davies, Baby Davies and Stanley Davies.

A very delightful reception was held by the Ladies' Aid of the Church of Our Lord yesterday afternoon, at the home of Mrs. McTavish, Heywood Avenue, in his farewell to Mrs. D. O. Lewis, who for many years has been an active member of the church and president of the Ladies' Aid. Mrs. Lewis was presented by Mrs. McTavish, on behalf of the Ladies' Aid, with a silver mounted umbrella suitably inscribed. Miss Hatty Newbury read an address, while Mrs. H. B. Day with a few charming words presented the guest of honor with a beautiful bouquet of yellow chrysanthemums, after which all adjourned to the dining-room, where delicious refreshments were served. The tea table, which was presided over by Mrs. Hughes and Mrs. Heddie, was artistically arranged with outdoor roses. One and all agreed that the Victoria can ill afford to lose such valuable citizens as Mrs. and Mrs. D. O. Lewis.

Miss Madie Adams was hostess on Friday evening, when she entertained a number of her young friends at her home on Maitland Street. The rooms were prettily decorated with a profusion of pink carnations, greenery and a fine collection of choice begonias. The evening was spent very pleasantly with games and dancing. Miss Ferguson securing the first ladies' prize in the game contest and

The First Presbyterian Ladies' Missionary Society held a largely attended meeting Saturday afternoon, when the sum of about \$190 was received for mission work. Mrs. R. S. Thompson occupied the chair. Mrs. McKay, who for many years has been conversant with missions of the church from coast to coast, gave a most interesting and educational address. She was followed by Mrs. (Rev.) Wilson, who assured the ladies of her warmest support, and was optimistic of what can be accomplished by the society in the future. Miss Christie rendered a much appreciated solo, "The Child's Prayer." At the close appetizing buffet refreshments were served by a committee of ladies. An assortment of books for a new mission station on the Alberni Canal was received during the afternoon.

Victim of Wood Alcohol

SYDNEY, N.S., Oct. 24.—James Hickey, of Prince Edward Island, is dead here after, it is alleged, drinking two quarts of wood alcohol in two days. Hickey is said to have prided himself on his ability to drink wood alcohol.

Children's Stockings that stand the wear

THERE is no need to tell Canadian Mothers anything about quality of materials in Mercury Hosiery for children—the name "Mercury" is recognized as the mark of quality.

But we do want to emphasize their wearing quality. They are reinforced where wear comes most—dyed with fast, non-running colors—knitted so that washings do not change the shape. Reinforced parts carry all the extra strains. Mercury Hosiery stands the wear.

Ask your dealer to show you "Mercury" Children's Hosiery.

CAMPAIN FOR NAVY STARTED YESTERDAY

"Promenade" Concert by Boys' Naval Brigade Band Last Night at Navy League Offices, Broad and View

The Navy League yesterday opened its "Trafalgar Week" campaign of songs at the corner of Broad and View Streets, and a little audience, composed of curious passers-by, lingered to hear the boys' band during the early part of the evening to hear the Boys' Naval Brigade band at its rehearsal under Bandmaster Rumsby.

The window is very attractively decorated with suitable emblems of the navy, a small model sailing craft being one of the particularly attractive objects in the View Street window, while an array of various seamen's "knots and splices" fills a board in the Broad Street window. Within are to be found all manner of literature on the subject of the navy and the part which the Navy League is playing in advocating the creation and support by Canada of a strong sea unit. Subscriptions to the work will be gratefully accepted.

SIX HUNDRED ATTEND COMMUNITY FUNCTION

Third Saturday Evening Entertainment at New Drill Hall Greatly Enjoyed—Basketball and Dancing

Over six hundred people patronized the entertainment given Saturday night in Victoria's Community Centre at the Drill Hall, under the auspices of the Fifth Regiment, C.G.A. The splendid programme was enjoyed from start to finish, and the fact that such large crowds visited the Armory is a safe augury that the Saturday evening community concerts are steadily growing in popularity here.

The Fifth Regiment Band, composed of 24 musicians under Bandmaster Albert Rumsby, rendered the latest dance music, which was well received by the large throng present. The first half hour was devoted to a band concert, many of the selections played being received with much applause. Then followed an exciting basketball game after which the dancing was the order of the evening, over two hundred couples participating in the popular pastime to the strains of attractive dance music.

The spectators were much interested in the basketball game between the Crusaders and the J.B.A.A. five, which was won by the former, the score reading 25-17. Chick Bradley starred for the J.B.A.A. boys, while Dowds performed well for the Crusaders. The baskets were scored as follows: Boys, Bradley, 5; Hartley, 4; Allen, 3; Dunn, 3; Crusaders, Dowds, 10; Buckett, 7; Hole, 4; Cull, 4. The teams were as follows: Crusaders—Gordon, Leeming and E. Cull; Jimmy Buckett; Scotty Dowds and Charlie Robinson.

J.B.A.A.—Jeff Watson and Tiny Ryan; Dad Hartley; George Allan and Chick Bradley. Bob Whyte made a splendid referee. Refreshments were served during the evening by the members of the Esquimalt Chapter, I.O.G.F., under the direction of Mrs. G. Simmond. Dancing took place at the west end of the main floor and on the balconies. The committee in charge of the entertainment wishes to thank every one who is co-operating in making these week-end community functions such a success. It is expected that a basketball game between the Fifth Regiment and the J.B.A.A. will be played next Saturday.

SOCIAL ENTERTAINMENT IN CALEDONIA HALL

On the evening of Thursday, October 20, the St. Andrew's and Caledonia Societies held a most enjoyable social entertainment at the Caledonia Hall. An invitation had been extended to the Ladies' Auxiliary and to the Thistle football team and their friends, and a most appreciative audience, numbering in the neighborhood of 250 people, turned out to enjoy the evening. The social programme, which opened immediately at the close of the societies' regular meeting, commenced with the following programme of songs and musical numbers, splendidly rendered by talented members of the societies: Sister D. Fye, "Hundred Pipers" and "Auld Scotch Songs"; Brother Robert Burns Law, violin solo, "Auld Robin Gray"; "O' a' the Airts"; Brother J. Dobbie, songs, "I'll Ne'er Forget Auld Reekie"; "Sprig o' Heather"; Sister E. Patterson, "Ma Wee Auld Fashioned Hame";

and "Slave Song"; Brother H. MacFarlane, cornet solo, "Auld Reekie"; Sister J. Drum, song, "Auld Reekie"; Mr. Mackenzie, songs, "Then Hame Came Our Guid Man at E'en"; "The Laird o' Cock Pen"; Miss Jean Wallace, songs, "Beneath My Window"; "My Auld Wee House."

The whole programme was most enthusiastically received by the audience, and only lack of time curtailed the applause for further encores. Bro. Dan Wallace most ably accompanied the singers with the songs, with the exception of the renderings by Sister E. Patterson, the accompanist for which being Mrs. J. A. T. Noble, who has recently come to Victoria from California. Mrs. Noble is a gold medalist from the Hamilton Conservatory of Music, Hamilton, and set to music the piece sung by Sister Patterson, entitled, "Ma Wee Auld Fashioned Hame," the composer of the song being Bro. H. MacFarlane, of Esquimalt. Mr. Mackenzie, whose humorous rendering of an old Jacobean song, "Then Hame Came Our Guid Man at E'en," which brought forth roars of laughter from his hearers, previously appeared in Victoria twenty years ago. Since that time Mr. Mackenzie has traveled greatly as a Scotch entertainer in New Zealand, Australia and the U. S. A.

At the close of the concert programme refreshments were served in the dining-room, and the evening rounded out with dancing, which continued until midnight. Bro. D. Wallace, contributing his usual good music and being assisted in some numbers by Bro. B. B. Law on the violin.

This was the second social affair of this kind put on by the society for its Winter programme, and the social committee is working to the perfecting of a similar programme for the celebrating of St. Andrew's night, on November 30. Talented members have already offered their services, and an evening's celebration which will be unsurpassed is anticipated.

"CANDIDATES" WILL ADDRESS MEETING

Young Men's Club of Y.M.C.A. to Hear of Party Policies in "Political Meeting" to Be Held Tonight

All the perplexities of a public bewildered by the words of politicians will be those of the gathering at the Y.M.C.A. Young Men's Club this evening, when three "candidates" will deliver addresses, setting forth the reasons why their particular parties should be placed in power. Jack Neill, Liberal national and Conservative candidate, will fire the first gun, and will be followed by W. H. Whiteley, Liberal, and Jack Bartholomew, Conservative. At the conclusion of the three addresses ballot papers will be distributed and a vote taken.

The meeting will take this form to give the club some conception of the arguments being put forward by the various political parties.

All young men of the city between the ages of twenty-one and thirty are invited to attend the meeting, which will be preceded by the regular supper, which commences at 8:15. Non-members of the club are asked to telephone to the Y.M.C.A. for reservations at the supper table.

EDMONTON SOLDIER ACCUSED OF MURDER

HONOLULU, Oct. 24.—Privates Frank W. Barnard, 22, of Akron, 24, of Esquimalt, and Cook, 24, of Parkersburg, W.Va., both of Company H, 27th Infantry, are dead at Fort Shafter from bullet wounds alleged to have been inflicted yesterday by Private C. McLachlin, 21, of Edmonton, Alberta.

Officers said no cause for the shooting could be learned.

McLachlin will be turned over to the civil authorities.

EDMONTON, Alta., Oct. 24.—Wm. C. McLachlin is the son of Mrs. Martha McLachlin, 16618 One Hundred and Twenty-first Street, in this city. He was in the Canadian navy, both at Halifax and Esquimalt, and after being discharged following the armistice went to the United States, and was for a time in Michigan. The last letter received from him stated he was leaving on a long western trip and would write upon his arrival. His relatives here were unaware that he was in Honolulu, in the United States army.

Estate of Hamilton Lady
HAMILTON, Ont., Oct. 24.—The will of Mrs. J. A. Bly has been filed for probate. It dispenses of an estate valued at \$3,397,421, and about \$200,000 of this goes to local charities. Employees and ex-employees were also remembered. D. L. Wilson, this city, is one of the heirs, and it is understood that about \$1,000,000 will go to him.

HAS RECEIVED MORE THAN HE EXPECTED

Vancouver Man Was Only Hoping for Temporary Relief but Becomes Well and Strong

"I didn't hope for anything more than some temporary relief when I began taking Tanlac, but it has rid me of every trouble, and made me feel as strong as again," said M. Kerrigan, 227 Kitchener Street, Vancouver, B.C., a popular employee of Coughlin & Sons' shipyard. "My stomach got in such bad shape there were only a few things I could eat, and I suffered from indigestion so much that even a whiff of food being cooked would give me nausea. My back was stiff with rheumatism. I couldn't stoop over to pick up things from the floor, and I was so nervous I couldn't rest either day or night."

Tanlac has not only put my stomach in first-class condition, but it has also given me new life and energy, and I feel fine all the time." Tanlac is sold in Victoria by G.W. Drug Co., and by leading druggists everywhere. (Adv.)

PORTLAND BUILDING MEN PAY VISIT HERE

Building, Owners' and Managers' Association Entertained by Members of Similar Victoria Organization

A party of members of the Portland Building Owners' and Managers' Association, arrived here on Sunday from Vancouver, where they had attended a convention of building owners and managers. They left again for Seattle in the afternoon, homeward bound.

The visitors were entertained by representatives of the local Building Owners' and Managers' Association, a number of members of the organization, headed by Mr. C. T. Cross, taking them for a drive about the city and the Spanish Peninsula. Visitors and Victorians lunched at the Brenta Lodge, on Saanich Inlet.

The visiting business men were surprised at some of the things they saw. Some were astonished that Vancouver Island was so large and also at the amount of fine farm land available. They stated that the returns from the buildings in Portland had nearly doubled since their organization was formed. The largest buildings were charging rents that gave a return of from two to five per cent, not taking into account any depreciation. The rent charge was from \$3.50 to \$2 per foot, in Victoria it is seldom more than \$1 per foot.

A party of Seattle building owners and managers, arrived during the afternoon and were taken for a drive by Mr. C. Shepherd, superintendent of the Pemberton Building.

ANNOUNCEMENTS

MacBean's Millinery, 614 View St.

Ladies' Select Choir Concert—New Thought Temple, Tuesday next, 8:30.

BLUENOSE EASILY WINS FROM ELSIE

Canadian Schooner Outsails Defender of International Fishermen's Trophy—Mayflower Not in It

ABOARD THE SS TYRIAN, OF

Race Course, Halifax, Oct. 24.—Canada won the international fishermen's trophy today, when Bluenose, Captain Angus Walters, led the American defender Elsie, Captain Mary Welsh, across the finish line by over a mile in the second race of the series to decide the championship of the North Atlantic fishing fleet.

The Boston schooner Mayflower, barred from the contest by the trustees of the trophy on the ground that she did not come within the specifications of the deed of gift, proceeded to try her luck with the legitimate contenders, but was out of luck, for, in the moderate sea that was running, challenger and defender left her far astern and she gave up the chase a full mile short of the second mark. The weather of the day, fluctuating between 12 and 17 knots, favored the Gloucestersmen, and the heavier Bluenose was able to do little better than hold her own on the reaches. But as in Saturday's race, the windward having everything on her American rival on this day of sailing.

Captain Welsh had much the better of the start, crossing the line with a good full seven lengths ahead of the challenger. Welsh attempted to retrieve his lost fortune in luffing on several occasions, but his vessel was evidently no match for the Bluenose close-hauled by the wind.

When the schooners passed the inner automatic buoy, the Bluenose had a lead of nearly ten minutes, and she managed to maintain this on the last leg of the race.

Official times of finish: Bluenose, 2:21:41; Elsie, 2:31:12.

WILSON GOLF TROPHY BACK IN VICTORIA

Local Team Succeeds in Preventing Seattle Golfers From Winning Third Successive Time

The Victoria Golf Club's team, playing the second leg of their match with the Seattle Golf Club, succeeded in winning by 10 points. The first leg, played in Victoria last spring, went in favor of the Oak Bay golfers by a margin of 37 points. On the Seattle links the home team came out 27 points in the lead, and were thus down on the whole to a draw. Most of the Victoria team returned to town yesterday, and with them the Biggerstaff Wilson Cup, which was at stake. The Seattle golfers had won this trophy twice in succession and only wanted one more victory for it to become their permanent property. Victoria has now to win it if it can, in two more successive struggles if it is to be retained permanently here.

Simultaneously with the match for this trophy between the teams representing Seattle and Victoria, the second half of the match between Phil Taylor and A. V. Macan, and Bob Johnston, the Seattle professional, and Bob Klein, their leading amateur, was played, and resulted in a victory for the Victoria representatives. Taylor and Macan went over with a lead of three up, gained in the first half of the competition, and in the Spring. On Sunday this advantage was increased, and they won the whole competition by four up.

The Soccer Referees

The Sports Editor: As I have been asked from several sources to explain more fully the objects of the Victoria Referees' Association, will you permit me in as short a space as possible to bring before the public the reason why such an association has been formed? Years ago (I believe it was in 1910-11-12-13 and possibly 1914), a referees' association was in existence, its membership including such officials as H. A. Goward, J. G. Brown, E. Thompson, J. J. Van and others, including myself. I believe it was during the first year of the war that this association disbanded. Between that time and last season (1919) there was no referees' association. There came a time last season when the referees of Victoria felt they must organize, as by doing so they would get proper protection against any unfair treatment, and by working hand in hand with the Victoria Football Association, the latter part of last season went off in as smooth a way as possible.

This season, the referees felt that by strong organization and by regularly meeting together, where free discussion of the rules could be indulged in, greater efficiency on the field was bound to ensue. Therefore it was the wish of the Referees' Association that anyone handling the whistle in Victoria should become a member, so that they would be able to meet with us and become more efficient, or if more capable than the rest of us, give of their experience, to the benefit of all members. From an educational standpoint, this would put the referees at a pretty high level.

It is not our object to tell the Victoria Football Association how to run its business; that is a matter for itself, but we do claim that the one and only point we are fighting for is due to us, for surely the Victoria Football Association can see the importance of its referees belonging to the Referees' Association. It is to the benefit of the game at large.

ERNEST R. LOCK.

President Victoria Referees' Assn. 2274 Albion St., Victoria, B.C., Oct. 22, 1921.

HOLED IN ONE

Playing a four-ball golf match at the Colwood Country Club on Sunday between J. Graham Gifford, J. M. Wood, C. P. Schwengers and G. Y. Simpson, Mr. Simpson holed out the fourth in one. Besides being a franchise being the only golfer to ever conquer the fourth in one, this entitles Mr. Simpson to a year's subscription to The Canadian Golfer.

SCHOOL RUGBY

The Victoria High School will meet Oak Bay for the third time this year at Cranmore Road today. So far the Victoria boys have won both their games by a large margin, but as the regular forwards are being rested for the game with the Naval College on Wednesday of the same week, the Oak Bay boys hope for success. The Wednesday game will be the first of the series of competitions in the school league. Both teams are shaping well and are in good condition.

HOCKEY ASSOCIATION WILL MEET TONIGHT

Annual Meeting to Be Held at Y. M. C. A.—Charlie Burnett May Manage Elk Settlement This Season

The annual meeting of the Victoria Amateur Hockey Association has been called by President Dan O'Sullivan, and will be held this evening at 8 o'clock in the Y.M.C.A. when officers for the 1921-22 season will be elected, applications received for franchises and amendments or changes to the constitution will be dealt with.

It looks as if there will be quite a shake-up of players this season, stated President O'Sullivan yesterday. "There have been a lot of rumors around town as to what the Senators, O.V.A., and the Bankers will do. Up to the present the Elk are the only ones that have definitely signified their intention of playing this season. The J.B.A.A. is among those applying for franchises, and I believe they have obtained the signatures of several of Victoria's star amateurs. In all probability they will be granted a franchise should any of last year's clubs drop out."

Will Not Announce

Manager George Strath denies the report that the Senators are going to amalgamate with the J.B.A.A. and allow the Bankers their franchise. He says he has no intention of doing so, and that he will keep the Senators as a separate club.

Darrell Spence, last year's manager of the Elk, has decided to drop out of the game. The team will certainly miss his services, as Darrell is a hard worker, both on and off the ice, and always kept his men in tip-top shape. It is reported Charlie Burnett, former manager of the Foundation Hockey Club, will take over the reins. Charlie is a hockey specialist and in his day played a brilliant game. There is still a little pep in his legs, and he will be a few stunts to some of the younger players yet.

Trouble Somewhere

At present it looks as if the G.W.V.A. is going to drop out of the league. There seems to be trouble somewhere. Harold Bray, last year's manager, does not seem very interested and states that he is out of hockey for this year.

It is uncertain yet if the Garrison intends playing this season. At the meeting tonight they will give the association definite word whether they will enter a team or relinquish their franchise.

The J.B.A.A., Yarrows and the K. of C. are after franchises, but their applications will only be considered after the meeting. Secretary Percy Watson requests that all the last year's clubs have a representative present at the meeting, to make known whether they intend playing this season or not. Other clubs wishing to obtain a franchise are also asked to have a representative present, when their application will be considered.

Watson Will Resign

Percy Watson states that he is resigning as secretary to the local association. Mr. Watson has been secretary of the association for some years and was elected secretary of the B.C.A.W.A. last year. Reports from Vancouver state that Mr. Watson is in line for the presidency of the B.C.A.A. to succeed Mr. Chester. After being so prominent in hockey circles, both here and in Vancouver, he is certainly entitled to this honored position. The annual meeting of the provincial body will be held in Vancouver about the middle of next month.

WORK POINT SOCCER LEAGUE IS STARTED

Departmental Corps Wins From Artillery in Opening Match by Two Goals to One

In the opening game of the Garrison Soccer League played at Work Point yesterday, the Artillery started defeat at the hands of the fast stepping Departmental Corps. At half-time the score was even, but in the second half the Departmental Corps managed to get one more, making the score two to one. Play was fairly even as the score would, but the losers having slightly the better of the play, but their forwards were unable to shoot and this lost them the game.

On Thursday the Princess Pats will play the Machine Gunners. This will be the initial performance of these teams and a battle royal is expected.

HOCKEY MAGNATES TO HAVE BUSY SESSION

Patrick Announces List of Agenda to Be Dealt With at Meeting in Vancouver on November 4

VANCOUVER, Oct. 24.—First word on the hockey situation for the year 1921-22 comes from Frank Patrick, president of the Pacific Coast Hockey Association, with the week-end announcement that the association of which he is head will meet in Vancouver on November 4.

Many matters of importance are up for review, among them the agreement to be reached between the Coast, National and Alberta hockey associations, whereby all will come into one Dominion-wide body for the better protection of the players and clubs alike; the formation of a national commission, its powers and its personnel; the drafting of the Coast schedule; revision of minor points in the playing rules and the general programme under which the Stanley Cup will be played for now that Alberta is in the Dominion body.

It is practically settled that the coast schedule will comprise 24 games—12 for each club at home; that the seven-man rule will again obtain as far as the Coast is concerned, and that the season will open some days ahead of the date of the 1920-21 season, which was December 20, in order that the Stanley Cup finals may be under way by March 15. Players will be required to report by December 1 for conditioning and practice.

DUNCAN BASKETBALL PROVES EXCITING

Three Fast League Games Decided at Up-Island City, Scores Being Fairly Even

DUNCAN, Oct. 22.—Fast and exciting games featured the three league matches played in the basketball schedule in the Agricultural Hall last evening, with the result as follows:

Epworth League, 34; Bankers, 16.

Scarlet Runners, 21; Duncan High School, 16.

Merchants, 11; Garage, 14.

The Bankers and the League boys took the floor, and from the first it was a fairly even win for the latter as they had the more experienced players, and although the Bankers worked hard and at times had exceedingly hard luck in shooting, the stars of the League team, Albert Dirome and Johnny Dirome, were too much for them. The Bankers would work hard to score, and would creep up a couple of points, then apparently without the least effort Albert, well backed by Johnny, would drop in a couple of field shots, just to show how it was done. For a few minutes just after half-time the Bankers took the floor with renewed vim, and registered four points (two field shots) before the League boys got started again, but the League soon turned the tables again on them, till the final score stood, 34 to 16 in favor of the League.

Fast and Exciting

In the match, "Scarlet Runners" against the High School, one witnessed an exceedingly fast and exciting game; the teams were evenly matched for weight, and both took the floor with determination to annex a victory, but the shooting of Doc French, a tower of strength for the Scarlet Runners, was too much for the High School lads. For the first few minutes the teams kept even, in see-saw fashion, but the Scarlet Runners took the lead and maintained it throughout the contest. Both teams put up a wonderfully fast game, with good combination worked in.

When the Merchants took the floor against the Garage team one looked for a close match, and no one was disappointed in that score. It was expected that the Garage would do better than they did. In last week's game, both of these teams won their matches easily, and the aroused considerable interest when they came to battle against one another, but in the first half the Garage men did not appear to be able to do the trick at all. Bruce McNichol, starting for the Merchants, dropped in a basket after basket, and Bill McNichol and Pat

The Stage
Little Theatre—"In the Queen's Service."

The Screen
Capitol—"The Runaway Train Ride."

Domination—"The Great Impersonation."

Variety—"The Scuttlers."

Columbia—"Cupid, the Cowpuncher."

Royal—"Charlie Chaplin in 'The Idle Class'."

plays the dual role of a young German military commander and an English nobleman, two men who look exactly alike. Fate brings them together and the German, the better to serve the Kaiser, who is planning his great attack on civilization, determines to do away with the Englishman and impersonate him in his own country. But at the finish there is one of the most unusual developments ever seen in a photograph and one that will surprise the most blasé audience. Mr. Kirkwood and Ann Forrest are admirable in their respective leading roles. Adequate support is given by Allan Hale, Fontaine La Rue, Winter Hall, Bertram Johns and Truly Shattuck.

ROYAL
VICTORIA Theatre is no place for a person with an ingrown elbow and proud of it. For "The Idle Class," Charlie Chaplin's latest comedy, began a six-day run there yesterday as a First National attraction, and we will guarantee it to kill any grouchy, no matter how chronic, within the space of a few seconds. While "The Idle Class" is shorter than "The Kid," it is packed with more laughs than one would imagine a two-reeler can hold. Charlie's first appearance on the screen—when he crawls out under a railroad coach—is the signal for the laughing to start, and the comedian never gives it an opportunity to subside. It is a highly novel Chaplin picture, because it portrays him in a dual role, that of the well-known tramp and as a "society swell." And Charlie in a frock coat and silk hat can be just as funny as in his customary hobo attire. Charlie Ray will be shown as a second attraction this week in "A Midnight Bell." Adventure and hair-raising experiences are to be found in any town as well as in the metropolitan centres. Ray is seen here as a traveling salesman, and circumstances compelled him to settle in the little town of Bellport. Things began to happen rapidly when he arrived. Five crooks had been attracted to the place by the prosperous condition of the bank, and they made their headquarters in an abandoned church which had gained the reputation of being haunted. Ray didn't believe in spooks so he spent the night in the church, but he had to admit in the morning that it was a terrifying experience. This is only a small part of what is to be seen at the above theatre in "A Midnight Bell." The musical attraction this week will be Miss Ivy Holt in selected songs.

VARIETY
One of the best pictures of the season thus far is "The Scuttlers," in which William Farnum appeared yesterday for the first time here at the Variety Theatre. "The Scuttlers" presents a story of the sea and gives the popular Fox star a fine opportunity to play the hero. Most of the action takes place on board a ship far out in the Pacific, and there are also stirring scenes on a desert island. Farnum enacts the role of a detective for Lloyd's, who, disguised as a common sailor, is commissioned to run down a scoundrel who is plotting to scuttle his ships for the insurance. In the cast are Miss Jackie Saunders, Herschel Mayall, G. Raymond Nye, Arthur Millett, Harry Spangler, Muriel Ojeda, Eric Cline, "Kewpie" Morgan, Claire Delorez and Al Fremont. All do good work. The photography of "The Scuttlers" is beautiful, the scenes at sea being particularly good.

CAPITOL
Combining laughter, drama and genuine thrill in "The Home Stretch," a new Thomas H. Ince production starring Douglas MacLean, was shown with no inconsiderable success at the Capitol Theatre last evening. The comedy is one of the best in which Mr. MacLean has been seen in months and from every standpoint is an artistic treat. The story deals with a young man who inherits a thoroughbred race horse and who, when he falls in love, tries to overcome his desire to gamble on the races. This effort at reformation leads to highly interesting developments. Reformer Burnham is leading woman. The Capitol bill this week is full of variety and entertainment. The Runaway Train Ride provides something new and sensational and for speed and thrill should satisfy everyone. "In Old Virginia," tendered by the Capitol Trio, is a very pleasing number that charms the ear and makes a pretty spectacular novelty with the charming old grinnings costumes worn by the singers. The other numbers are also well received.

COLUMBIA
Will Rogers' claim to THEATRE being the homeliest man in the world can easily be disproved, but even at that he is no serene Apollo and he does not depend upon personal appearance to carry him through a role in his screen plays. He gets and he acts quietly, naturally and humanly. That's why screen fans have hailed him as the greatest of screen comedians. That's the secret of his success in "Cupid, the Cowpuncher," now showing at the Columbia Theatre, his newest Goldwyn picture adapted from the diverting Western story by Eleanor Gates called "Alec Lloyd, Cowpuncher."

"Cupid" Lloyd has made more matches in Briggs City than any other ten persons, and the boys on the ranch are just aching for the time when love's arrow shall pierce his own heart. It does, when the youngest daughter of the boss returns from boarding school and then the fun begins—for the cowboys and for Rogers' fans.

CABARET LAST NIGHT
WAS VERY PLEASING

Excellent Programme Given by Artists at Affair Given by Knights of Columbus—Many Guests Present

A large number of guests last night attended the charming cabaret given by the Knights of Columbus at their hall on Government Street, in aid of the work of the Society of St. Vincent de Paul. Over fifty table reservations had to be declined by the committee in charge owing to the many previous requests which were registered by patrons last week.

A splendid ovation was given to Mrs. C. E. Wilson at the close of her solo, entitled "The World is Waiting for the Sunrise," which was the first item on the programme, and which was followed as an encore by "You Had Better Ask Me." Mrs. Wilson appeared in a lovely Western creation of loganberry shaded silk with draped skirt, and bodice of gold tulle covered with tulle in corresponding shades, caught at the waist with a cluster of fruit.

Other artists who contributed to the cabaret programme were Mrs. W. Todd, who sang most delightfully "A Happy Song," and Miss Dorothy Stuart Robertson, who so daintily charming in her rendering of "Jane From Maiden Lane." The concluding item of the evening was a song, "Just Like a Girl," sung by Miss Maymie Fraser and assisted by a chorus, including Miss Nonie Cutler, the Misses Lillian and Elsie Michaelis, and Miss Butler, who all appeared in costume, and added not a little to the guests' enjoyment of one of the most attractive of the Autumn cabarets.

The hall committee in charge of the cabaret were Messrs. P. L. O'Connell, P. S. Fagan, M. Steele and Dr. Tillman. Briggs. O'Connell's orchestra was in attendance and supplied an excellent musical programme.

FIRST BAND CONCERT
DRAWS BUMPER HOUSE

Audience at Capitol Theatre on Sunday Night Numbered Nearly 1,500 People—Ovation for Victor Edmunds

An audience numbering exactly 1,426 persons was at the Capitol Theatre on Sunday evening to hear the first of the O. W. V. Band concert of the season, and there was no hesitation in predicting that with such an excellent first-night advertisement, they may look forward to bumper houses throughout the Winter season.

The band is in wonderfully good form, and under the excellent leadership of Bandmaster Miller is destined to become even better as the season advances. There is a first-rate ensemble of band instruments and play, and the manner in which they attacked such things as Willmors "Summer's Day in Norway," which opens with a charming lightening of spirit and suggestion of birds, streams and soft breezes, developing into a grand poem of nature, demonstrated the ability of the band to make charming sense from black dots on paper. The staccato playing of the Eilenburg "First Heart Throb" was interesting, possibly as it afforded a better opportunity to appreciate the pure pliancy of the following number. Lido's "Maximilian, Robespierre" is quite an ambitious effort, and was loudly applauded.

The assisting artists brought further variety into the programme. Mr. Victor Edmunds wound up the series of three with what was a most interesting and popular programme of his own induced by the clamorous plaudits of his audience. Commencing with the well-known aria from Puccini, sung with great dramatic expression, he continued through no less than four encore numbers, displaying a voice of apparently limitless range and an appealing beauty of timbre. "La donna e Mobile" brought him the final great ovation which this popular singer was to have from his home town before leaving for the East once more to continue his studies at Toronto.

A very lovely contralto voice which Victoria should insist on hearing again at the earliest possible time was heard when Miss Hilda Knight made her debut with "My Task" and "At Dawn." Fine warmth of tone, sympathy and a certain discretion of expression are qualities which the singer possesses to an unusual degree, and she is destined to be a general favorite with local audiences as she remains here. Mrs. Mayfield's "Ring, Ring," displayed her clear soprano even better than her first number, "O That We Two Were Mayhew." She, too, was well received, and Mrs. Gibson's accomplished playing of the accompaniments for all singers earned her the appreciation she deserved.

Tender, Aching Feet Can Be Made Happy

YOU can go home tonight and gain instant relief from the nervous strain of aching, tender feet.

A warm, thick, moist bath with Blue-jay Foot Soap—then a brisk massage with the cooling, soothing Blue-jay Foot Relief, then a slight coating of Blue-jay Foot Powder, delightful and deodorant.

Your feet will feel young again! You'll wonder why you ever permitted yourself to endure the old-time torture. You'll become a permanent user of Blue-jay Foot Treatment, for sale at all druggists.

CROWDED HOUSE AGAIN
AT LITTLE THEATRE

Prolonged and Hearty Applause Attests Full Appreciation of Audience at Second Performance

Farce and comedy are ever popular with dramatic societies as their offering to the public, but it is in drama that greater opportunities are afforded for expression of emotions, and the play, "In the Queen's Service," which the Victoria Dramatic and Operatic Society is to produce each evening this week at the Little Theatre is a historical drama of enthralling interest, which embodies all the thrills caused by the representation of daring deeds, and also the sweetness of a delightful romance. There is nothing offensively melodramatic about this play, no bloodshed or anything which might offend a sensitive nature; its dramatic interest is sustained by plots and intrigues which develop almost to the point of tragedy and these are frustrated by counterplots or by swift intuitive action. And the cause of all the intriguing and plotting is the dainty, oppressed and entirely lovable heroine, whose suffering and persecution are so persistent almost until the final fall of the curtain, that she cannot fall to become an object of sympathy to any audience.

At the second performance of this play last evening, the limited accommodation of the Little Theatre was taxed almost to capacity, and so tense was the attention of the audience that during the acts they gave but little sign of the appreciation which they felt other than by their exceeding quiet, but at each fall of the curtain their tense nerves relaxed and they gave vent to prolonged and hearty applause, signifying how thoroughly they were appreciating the play which was being so convincingly unfolded by the characters of the play.

Mr. R. N. Hineke certainly deserves great credit for the masterful way in which he has introduced the success second to none which this enterprising company of players has produced. The language, the costumes and the scenery are all so beautiful and so true to that interesting period of French history which is portrayed, that it is not a matter of wonder that the audience should have proved so appreciative.

It is understood that bookings for this week are well taken and that seats may be reserved for day and evening performances and during the evenings at the theatre. The curtain is raised punctually at 8:30 p.m. and as the gripping interest of the play commences, the patrons will be well advised to occupy their seats in due time.

MEASURING SUNSHINE

"No many hours of sunshine were recorded at such-and-such a place yesterday."

This is a form of newspaper paragraph which we all read every day without a thought of how such information is obtained. Yet every holdmaker has seen—though probably he has not taken much notice of—a peculiar-looking structure reared in some open space at practically every resort in this country.

It is a queer object—an iron spiral staircase that appears to have been started and left unfinished; a way up to somewhere with nothing on top, except a lonely pedestal, bulged and headed. This landless stairway is usually found near the beach, on the pier, or in the public gardens. It looks meaningless and useless.

But if you watch at certain times, twice a day, you will see a man climb the stair, stand at the highest step, manipulate something on the bulged pedestal, and return to the ground, bearing a strip of blue paper on which are white-printed markings.

If it were fine "yesterday," there would be, across the stair, a blurred brown line or oval, as though a lighted cigarette had been left to outline itself on the surface of the paper.

The man is an official of the Meteorological Office, the "something" on the pedestal is a Campbell-Stokes sunshine recorder, and the blue strip is a recording card which he has replaced by an unrecording one. And the strip he has brought down provides the information which supplies the paragraph referred to.

A sunshine recorder consists essentially of two parts: a glass sphere, four inches in diameter, which brings the sun's rays into focus, and a card which he has replaced by an unrecording one. And the strip he has brought down provides the information which supplies the paragraph referred to.

Acting upon this glass sphere, as it acts upon a sphere of water, the sun's rays are focused on the surface of the card during its "course" between rising and setting. The card is sensitized to take the rays of the sun in a burst mark along a graduated surface indicating the hours from sunrise to sundown.

I have examined these cards each evening for several days. The popular East Coast resort, and it has been interesting to note the precision with which they record the absence of sunshine.

For many days the cards bore across their entire length an uninterrupted brown line—a burn that actually "holed" the card through the greater part of the blue. This indicated continuous sunshine.

But one card showed, by unmarked portion, that there was no sunshine at all for more than an hour one day last week.

Looking up the date and the time I found that it coincided with the hour of an interrupted lawn tea-party which was spoiled by the first downpour of rain in two months or more.

—C. W. Miles, in Daily Mail.

U. S. Gold Production

WASHINGTON, Oct. 24.—Gold production in the United States during the calendar year, 1920, fell off by \$2,148,500, as compared with 1919, according to final statistics made public by the Director of the Mint.

During 1920 the country produced 2,438,186 ounces of gold, valued at \$21,148,500, and 25,261,573 ounces of silver, valued at \$40,861,955.

Tadpoles treated with thyroxine turn into mature frogs almost at once.

REJECT AITKEN PLAN
FOR CITY MANAGER

Alderman A. M. Aitken introduced a resolution in the City Council last night calling for the submission of a by-law authorizing the inauguration of the city manager form of government here.

Alderman E. S. Woodward seconded the motion, and Mayor Porter voted for it, but all other members of the Council voted against it.

Alderman Todd described the city manager enthusiasm as a form of disease. "Victoria, like a lot of other good people, has been willing to try anything once," he declared. "They have tried quack remedies in the past—waterworks and paving contracts, and the Johnson Street bridge. Now a woolen mill is coming along. If it takes all these remedies, sooner or later it will be completely dead."

He claimed no form of government on earth could make a better financial record than the 1921 Council.

"You are in the minority, and you know it," retorted Alderman Aitken. "Alderman Todd's remedy for government is coming just as surely as day follows night."

AN ARAB MARKET

Up from the Arab market comes a hum of voices as the white-robed figures shuffle noiselessly about the mazy open space.

The saddles of the kneeling camels stand out like islands in the sea. A historic sea, outlined against the background of the white-washed walls. A yellowish red glow towards the north bathes palm trees and the long line of ivory hills in the declining light. To the south the white-towered minarets of the Atlas are all flushed with pink. The Kutubieh after the fashion of the Eastern minarets, a dejected lighthouse in the ebbing ocean of Islam; Marrakesh, wrapped in a shroud of mystery, the houses blending together in the grey light of twilight, stretching out, silent and looking like some Babylonian ruin of the past. Horses neigh shrilly now and then, and camels grumble; the muzzin calls to prayer.

A whirling sound as of a city inhabited by human insects fills the air. From tortuous basars and narrow streets sunk deep below the houses so if they were gullies in a hill. The noiseless crowd emerges, all pressing forward to the Jamel-el-Fahar, the centre space in which converges all the life and movement of the town. There, jugglers play, swallowing their swords, twisting themselves into strange shapes, and walking the tight rope after the fashion of the Eastern jugglers from the time of Moses to the present day. Five deep the listeners stand, as a man tells stories from the Arabian Nights. In the middle of the listening crowd the tale unfolds, accompanied by gesture and by change of voice that in another land would make the teller's fortunes on the stage. He starts and turns, he laughs, and with him starts his audience, although he never for a moment misses an opportunity as he rests for breath, to urge a boy to make his rounds, holding a wooden bowl or white enamel cup for pence.

Then when the offertory is done, resumes his tale, the hearers stare, fascinated, though they have heard it all a thousand times. All the wild life of ancient civilization, further removed from us by far than the life of savages, is here in the life of fables. "Success," by R. B. Cunningham Graham.

palace life, to listen to the secrets of the poor who then as now were nearer to the nature and more interesting than cultured dillards in their pride of books. "Success," by R. B. Cunningham Graham.

NEGROES BURNED IN NEW JERSEY
ORANGE, N.J., Oct. 24.—Two negroes suspected of having been implicated in the murder Saturday of Sheriff W. C. Bond and Sergeant Julius, of Boyer, were burned to death by a mob yesterday.

Take It In Time!

DO you know that by far the larger number of the common ailments of women are not surgical ones; that they are not caused by any serious displacement, tumor, growth, or other marked change?

DO you know that these common ailments produce symptoms that are very much like those caused by the more serious surgical conditions?

DO you know that many women and young girls suffer needlessly from such ailments? More than that, they endanger their health by allowing their ailments to continue and develop into something serious.

If treated early, that is, within a reasonable time after the first warning symptoms appear, serious conditions may often be averted. Therefore, at the first appearance of such symptoms as periodic pains, irregularity, irritability and nervousness, Lydia E. Pinkham's Vegetable Compound should be taken. It is prepared with accuracy and cleanliness from medicinal plants. It contains no narcotics nor poisonous drugs, and can be taken with perfect safety.

The Vegetable Compound acts on the conditions which bring about these symptoms in a gentle and efficient manner. The persistent use of it shows itself in the disappearance, one after another, of the disagreeable symptoms. In a word, Lydia E. Pinkham's Vegetable Compound acts as a natural restorative, relieving the present distress and preventing more serious trouble.

Why not give a fair trial to this medicine

FARMER BODIES ARE WORKING TOGETHER

Joint Committee of Institutes
and United Farmers to Lay
Matters Before Legislature
—Circular Issued

At a meeting of the Advisory Board Executive of the Farmers' Institutes with the directors of the United Farmers of B.C., held in Vancouver on October 15, it was agreed that a joint committee should be formed to act in placing matters before the Legislature, with authority to act in an emergency.

In connection with this meeting Mr. C. E. Whitney-Crithfield, secretary of the Advisory Board, has issued the following circular to the Institutes:

Following the invitation received from the president of the United Farmers of B.C., Mr. H. A. Copeland; the chairman, Mr. Jas. Bailey, of Chilliwack; Mr. William Harrison, of Pithers; and the secretary, Mr. Whitney-Crithfield, of Metcalm, met the members of the directorate to discuss common problems affecting agriculture on the 15th of October at Vancouver.

The president of the association gave the executive a most cordial welcome on behalf of the United Farmers, and Mr. Jas. Bailey was voted to the chair upon the opening of the discussion of the resolutions.

After a short discussion a resolution was passed by the meeting agreeing to the formation of a joint committee of six, three from each association, to act as representatives in placing all matters before the Legislature, with authority to act in an emergency to the best of their ability.

A number of important matters, most of them of long standing, were then discussed very fully, and these in due course will be handed on to the committee to deal with at the coming session of the Legislature.

It was felt that this committee's hands should not be tied in respect to problems that we had not immediately before us but that might arise in the meantime, and it would not be possible to place before the whole of the directorate of the United Farmers or the Advisory Board.

The secretary of the Advisory Board reported a number of matters that needed attention, mentioning the amendments of the "Sheep Protection Act," and that the Hon. D. Harrow wished immediate advice on, also stating that the Minister would be glad to have a joint committee to deal with this matter and make recommendations, so that the necessary legislation can be brought down at this session.

Matters dealt with included the Asiatic problem, game board and bounties, stumping powder, seed grain rates, agricultural council, district representatives, municipal aid, motor tolls on highways, tourist traffic, land settlement and progress credit loans. The formation of the Council of Agriculture was given special attention, together with need for an agricultural policy and the financing of the association. Agricultural co-operative organizations and the necessity for economy in many administrative directions were dealt with.

The present economic problem and the absolute necessity for making the money voted produce the most good in the direction most urgently needed to increase production was gone into. Some fear that it is possible that the Agricultural Department again would fail to secure sufficient funds to take

I'm So Tired

Fatigue is the result of poisons in the blood. So when the kidneys fail to purify the blood one of the first indications is unusual and persistent tired feelings and pains in the back.

Neglected kidney troubles lead to years of suffering from rheumatism or develop into such fatal ailments as Bright's disease.

The kidney action is promptly corrected by use of Dr. Chase's Kidney-Liver Pills — the best known regulator of kidneys, liver and bowels.

Mrs. John Ireland, R.R. No. 2, King, Ont., writes:

"I was a great sufferer from severe headaches and bilious spells. I tried a number of remedies without obtaining any benefit until I was advised to use Dr. Chase's Kidney-Liver Pills. These completely relieved me and made me feel like a new person. I am very grateful to Dr. Chase's medicines for what they have done for me, and you may use my letter for the benefit of others."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers or Edmanston, Bates & Co., Ltd., Toronto.

GIRL WORKERS SHOULD DISPLAY EFFICIENCY

Miss Marlatt Urged Greater
Competence in Household
Arts for Present Day Youth
—Addressed Kumtuku Club

Deploing the inefficiency of the present-day youth when seeking employment without any specific qualification or training, and urging for the girls greater capability as home-makers and a wider knowledge of the household arts, constituted the gist of an exceptionally interesting address delivered by Miss Marlatt, of the Provincial Labor Bureau, at the fortnightly luncheon held yesterday at David Spencer's, Ltd.

Miss Marlatt lamented the fact that girls entering high school are forced, under the prevailing educational system, to give up their domestic science training at an age when it should prove most beneficial to their future work in life to further their studies along this course.

One of the membership qualifications of the Kumtuku Club is the exercise of the franchise, and consequently the "Give Your Vote" campaign being directed by the G. W. Y. A. to sell people on Armistice Day, many of the members volunteered their assistance with the street sales.

Commenting upon the splendid community entertainment held at the new Drill Hall last Saturday, one of the members deplored the practice indulged in by many of the men present of dancing with their hats on, and strongly advocated the provision of cloak rooms for hats and coats.

Mrs. H. N. Knight will be the speaker at the next luncheon, to take place on November 7.

The average life of the silk worm is 30 days.

Desserts More Delicious

—with Carnation

USE Carnation Milk just as you would cream for fruits, cereals, puddings, desserts, or for creaming tea and coffee. You will find it more economical because of its double richness. Carnation contains a minimum of 7.8% butterfat; whole milk and sterilized canned milk contain an average of only 3.5% to 4% butterfat. Besides it imparts an added flavor and wholesomeness that is delicious. Carnation is pure cow's milk evaporated to the consistency of cream, then hermetically sealed in cans and sterilized. So it is always absolutely pure. Try a dozen cans and you will always use this rich milk for every use.

Send for Carnation Cook Book containing 100 practical tested recipes. Carnation Milk Products Co., Ltd., Union Bank Building, Victoria, B.C.

Try This Recipe

CARNATION ICE CREAM

4 cups Carnation Milk, 1½ cups sugar, 1 cup water, ½ tablespoon vanilla. Carnation Milk is always ideal for making ice creams of any sort, because of its purity and richness. Eggs are not needed. For a plain vanilla ice cream, mix the sugar and a cup of the Carnation Milk together and let come to a simmering point; cook for five minutes in this manner; remove from fire; when cool, add remainder of the milk and water, and the vanilla. Freeze. This will make about a quart and a half. Serve with strawberries or other fruit.

TELLS GYROS ABOUT NEW ZEALAND VISIT

Mr. C. B. Jones Gives Club Information About Sister Dominion, Which He Visited This Year

"It's really a wonderful little country for its climate, its people and its pastimes," said Mr. Charles B. Jones, in addressing the Gyro Club at its weekly luncheon in the Criterion Cabaret yesterday on New Zealand, which he visited this year for the purpose of promoting better trade relations between that Dominion and this.

Mr. Jones took his audience from Victoria by steamer to the Antipodes, telling about the ports of Honolulu and of Suva, which were called at en route.

The natives of Suva are very primitive, said Mr. Jones, and those who had been more or less civilized, suffered to a large extent from tuberculosis, and were therefore fast dying off. The men bleached their hair and combed it up in immense pompadours.

Mr. Jones had never seen such vegetation as at Suva, where trees often grew six and eight feet during a year.

Auckland, New Zealand, was a city of 120,000 people. There people were very hospitable, the climate was nice, the water smooth for yachting, and the fishing beyond expectations, declared the speaker.

The soil of New Zealand was wonderfully fertile, said Mr. Jones. He cited a case of a farmer keeping ninety-six head of cattle on ninety acres of land and producing almost all his own feed.

The Maoris, the natives of New Zealand, had come to the country about a thousand years before Cook visited there. The Maoris were larger and finer people than the Indians of this Coast. Some of those now living had been cannibals at one time. The Maoris were a warlike people and had exterminated those natives living in New Zealand before they arrived. There were today about 63,000 of these Maoris in New Zealand.

The women of New Zealand, said Mr. Jones, were satisfied with simple dress, were good housekeepers, and fond of sports, such as riding and golf.

The men of New Zealand were keen business men whose word was as good as their contract. They were very courteous. At eleven o'clock in the morning they would leave their offices and go out and have tea, and at one o'clock they would have luncheon.

The New Zealanders were fond of yachting, cricket, football and horse-racing, said Mr. Jones, who remarked that he was particularly struck with their pastimes.

New Zealand could take various British Columbia products. Its principal exports were tallow, cheese, milk products, honey, butter and meat.

Mr. Jones is returning to New Zealand for the winter.

Gyro Ernie Greenwood was the vocal soloist at yesterday's luncheon. The Gyro Orchestra rendered several selections.

TEEN AGE CONFERENCE WILL BE HELD HERE

The girls' work committee of the Religious Education Council is planning for a 'teen-age girls' conference, November 4, 5 and 6, at which Miss May Gemmell, girls' work secretary for the Presbyterian Church of Canada, will be the special leader.

Miss Gemmell is an expert in her work and will bring inspiration to both girls and leaders. Special arrangements are being made for the leaders to meet in conference with Miss Gemmell at the Y.W.C.A., Friday, November 4, at 4:30 p.m., staying for supper afterwards. It is hoped that as many 'teen-age girls and leaders as possible will reserve these dates.

The conference meetings, November 4 and 5, will be held in St. John's Church Hall, and the banquet on November 6, in the schoolroom of the First Presbyterian Church.

TICKETS SELL FAST
FOR SAANICH BALL

Second Annual Function of Municipality Promises to Be Big Success—Special Car for Occasion

All arrangements are completed for the second annual Saanich police ball, which is to be held in the Agricultural Hall, Saanichton, on Wednesday night.

The tickets are selling rapidly and all who have not got their tickets are advised to do so as soon as possible.

A special B. C. E. Interurban car will leave Saanichton at 1 a.m. for Victoria.

The music will be supplied by Heaton's orchestra, and the catering is in the capable hands of Mr. George Florence, of the Hygienic Bakery, Victoria.

There will be card tables provided for those who do not dance, so every one is assured of having a good time. Dress informal.

COWICHAN WOMEN'S
INSTITUTE MEETS

Delegates Chosen to Attend Island Conference in Victoria—Opposition to Tuberculosis Ward

DUNCAN, Oct. 24.—A special meeting of the Cowichan Women's Institute was held on Saturday afternoon last with their president, Mrs. F. S. Leather, in the chair. One of the prime objects of the meeting was to elect delegates to attend the Island District Women's Institute Conference, which will be held in Victoria from November 1 to November 4. Regret was expressed at the meeting of the very short notice given of the proposed conference, and a resolution was passed urging that in future the Department of Agriculture, under whose jurisdiction the conference is called, should advise the Institutes at least three months in advance. The Island representative on the Advisory Board will be appointed at the forthcoming conference. It was decided to allow the delegates a free hand in regard to voting, but the opinion of the meeting favored Mrs. Walt continuing to stand if available for office, and if not, the name of Mrs. Tyrrell Goodman was suggested. Mrs. F. S. Leather and Mrs. G. G. Henderson were chosen as delegates to the conference in Victoria. It was urged that as many as possible should attend the sessions. Mrs. Whidden will be there, but does not wish to go as a delegate.

Further action is being taken by the Women's Institutes urging that the Provincial Legislature amend the Municipal Act whereby husband and

wife should be entitled to vote on property held in the name of either. Mrs. U. G. Henderson, convenor of the Educational Committee, has received strong endorsement on this matter, and it will be placed before the conference in Victoria.

A motion proposed by Mrs. Barnett and seconded by Mrs. J. L. Hird, protesting against any reduction being made in mothers' pensions, if such is contemplated at the coming session, was endorsed by the meeting, and will be taken up.

Mrs. Thurey Brooks spoke trenchantly against the erection of a tuberculosis ward in Duncan. The last issue of The Cowichan Leader contained the announcement that Dr. Young had asked the City Council's opinion concerning the site of the proposed isolation and tuberculosis ward, and a resolution, sponsored by Mrs. Brooks and seconded by Mrs. Macer, protesting against the erection of a tuberculosis ward in Duncan, was passed, and it will be placed before the City Council, Dr. Young, the Board of Directors of the Hospital and the Health Centre Committee. Opinion was expressed that Duncan was not a suitable place for tuberculosis patients, and if such a building was to be erected, Mr. Slicker was suggested as a good location.

The meeting did not seem clear as to whether it was the intention to erect a regular tuberculosis ward or just to take in patients as an emergency measure, but the meeting was strongly averse to a tuberculosis ward being erected in such close proximity to the schools.

NANAIMO NEWS NOTES

NANAIMO, Oct. 24.—In connection with the Canadian Naval Training Establishment at Halifax, the authorities at Ottawa recently allocated to the district provinces the number of boys to be accepted for this service, and under the system adopted British Columbia had the nomination of six boys. One of Nanaimo's sons, Richard M. Jackson, son of Mr. and Mrs. T. R. Jackson, was among the chosen six. Richard's application had been on file for some time as a cadet for the Canadian Mercantile Marine, but he chose rather to avail himself of this opportunity to join the senior service.

The ladies of the W. C. T. U. held a most satisfactory sale of work and home-cooking on Saturday. Every article offered for sale was disposed of at a good price and a neat sum realized for the Union. Mrs. Irvine supervised the sale, while the conveners of the various booths were Mrs. A. Dunsmuir, sale of work; Mrs. Reddy, home-cooking; Mrs. Boal, sewing; Mrs. Vipond, tea and refreshments; Mrs. Jossup, rummage sale; Mrs. Bradford, flowers and plants.

On Friday next the Odd Fellows' Hall will be transformed into the land of elves and fairies. The Fairy Frolic, which will be given by Miss Winnie Pollard and her pupils, and for which preparations are well under way, promises to be one of the most brilliant affairs held in the city. There will be cunning little elves and graceful little fairies, who, with their queen, will entertain with captivating

dances, etc. Doug. Manson's famous orchestra will be in attendance with special novelty numbers for the occasion.

Miss Bayne, Superintendent of the Girls' Industrial Home, Vancouver, will give an address to the Local Council of Women in the Odd Fellows' Hall tomorrow evening. The Olympic Club gave an enjoyable dance on Saturday evening, which was attended by about sixty couples. Manson's new orchestra supplied the music and made a decided hit with the dancers. So taken was the orchestra that the committee was asked by many who attended to hold another dance, which will be given on Wednesday night.

Mr. Jensen and orchestra have kindly volunteered free of charge their services at the five hundred party and dance being given by the Red Cross tonight in aid of returned soldiers.

The Halloween concert being organized by Mrs. Thompson as part of the annual bazaar drive promises to be a big success. A splendid Scottish programme has been arranged, the best musical and elocutionary ability of Nanaimo having been secured to provide a high-class and enjoyable entertainment. While the "pipes" will doubtless stir the blood of Scotland's sons and daughters. Amongst those taking part in the programme are: F. McAlpine, Mrs. (Dor.) Drysdale, Mrs. E. E. E. Husband, Mrs. C. Crawford, Mr. Wm. Fulton, Miss Rogers and Mr. Newman. The concert takes place in St. Andrew's Church on Monday, Oct. 31.

A young lad eleven years of age was picked up on the streets here by the police the other evening. The boy had run away from the Convent School at Duncan, having become tired of convent life, and decided to come to Nanaimo. The police placed him in the local convent, where he will be kept until his mother can again take charge of him.

A very successful smoker was held Saturday evening by the Extension Athletic Association in the Extension Hall. Mr. Frank Seban occupied the chair. There was dancing, a good programme of songs, recitations, etc., while the refreshments left nothing to be desired. Everybody present had a good time and the Association received a needed boost.

The Silver Cornet Band held the second of its popular Sunday evening concerts in the Dominion Theatre last evening. The band was assisted by Mrs. G. M. Muir and Mrs. Oscar Thomas, who rendered vocal selections which were listened to by a large and appreciative audience.

Little of Albert Street, who has been visiting a few days in Vancouver, returned home Saturday evening.

Mrs. Fred Spencer, formerly of Nanaimo, but now of Victoria, is in the city for a few days. The guest of Mrs. George Johnson, Chapel Street.

Mrs. Paul, of the nursing staff of the Nanaimo Hospital, has returned from a visit to friends in Vancouver. The fire department had a run to the residence of Albert Mannford, Strickland Street, on Saturday night. The speaker went in to an economic analysis of modern commerce, from the Socialist standpoint, claiming that the world's system of credit economy had become too heavy and unmanageable, and must inevitably rock to pieces.

Several questions were asked by members of the audience.

Mr. Sam Guthrie, member of the British Columbia Legislature for Newcastle, occupied the chair. He stated that so long as capitalism existed the workers would be faced with unemployment, misery and distress. We must abolish the system, he contended.

Mr. Pritchard also held a meeting in the Finnish hall here, and speaks tomorrow in Nanaimo and vicinity.

SIDNEY NEWS NOTES

SIDNEY, Oct. 24.—Mr. and Mrs. G. Johnston have given up their home at Riverside and have gone to Victoria, to reside at the James Bay Hotel for the winter months.

Mrs. G. Johnston left for Vancouver on Sunday afternoon, en route for Alaska to visit Mrs. Wynne-Johnson and to attend the marriage of Miss Wynne-Johnson to Mr. W. Woodward, of Vancouver, which will take place shortly. Mrs. Johnston was accompanied as far as Vancouver by her daughter, Mrs. A. Stevenson, of Roberts' Bay.

The Boy Scouts held their usual weekly meeting for the Ladies' Institute in their clubrooms, under the leadership of Mr. Victor Goddard, scoutmaster. The evening was taken up with flag drill, in which the boys were assisted by Mr. T. Ford. They are also busy preparing for a concert, which they hope to give during November.

The executive of the North Saanich Women's Institute has decided to postpone its card party on October 21, as there are several counter-attractions next week.

MRS. GREEN'S RECITAL
SET FOR NOVEMBER 8

Gifted Pianist Will Open Ladies' Musical Club Season at Empress on Above Date

Mrs. Gertrude Huntley Green's piano recital for the Ladies' Musical Club will take place on Tuesday, November 8, it is now announced. This programme will open the club's 1921-22 season, and the fact that it has been postponed several weeks from the time originally set has only strengthened the interest which is being taken in the much-looked-forward-to event, at which the gifted pianist will play a number of compositions not previously heard here.

Mr. Gladson Hicks, the well-known baritone, has been induced, contrary to his habit, to come forth from his retirement on this occasion to sing on the same programme, so that the recital is destined to prove in every respect quite exceptional.

FOLLOW the CROWD

Here's a Sale
That Will Create
a Sensation!

Before the first of November we must sell several thousand dollars' worth of crockery and kitchenware in addition to the normal business we would otherwise do. We have obligations to meet that compel us to raise money in a hurry.

The inducement we offer to the housewives of Victoria is the most appealing that we can think of—record-breaking savings on necessities for the home. This sale begins today and continues until further notice. Throughout the store old price tickets have been removed and the new low figures substituted. Everything is on sale—at a bargain price. It is the supreme opportunity of the season to effect a big saving on the crockery and kitchenware items you require.

NEWS OF LADYSMITH

LADYSMITH, Oct. 22.—News of great interest to the citizens of Ladysmith generally reached the city the past week to the effect that the question of the ownership of the parcel of land in the heart of the city known as the Market Square had been decided, and that while it was the property of the Department of Lands of the E. & N. Railway, it was to be become the property of the city as a result of the magnanimity of the Advisory Committee of the E. & N. Railway.

A short while ago representations were made on behalf of the city by the acting-mayor and the city clerk to Mr. Bolly, who took the matter up with the Advisory Committee of the Lands Department, which interview resulted in the city being informed that as soon as they gave a complete description of the said land a conveyance of the property would be forwarded at once. Thus a very valuable piece of land becomes the property of the city, and it is expected that suitable improvements will be started as soon as possible. Ladysmith now has the opportunity of making this one of the beauty spots of the island as well as splendid community playgrounds, and it is hoped that the City Council will not be

slighting in funds to put this property to good use.

Funeral of Mr. P. Gaffney
The funeral of Mr. Pat Gaffney took place on Sunday at 2 p.m., Rev. D. McLean officiating. The first part of the service was held at the residence, where many friends of the deceased paid their respects to one who was highly respected. The cortege then proceeded to St. Joseph's Church, where the funeral service was completed. The floral tributes were many and beautiful, deceased being held in great respect by all the old-timers of the city, he himself having been a resident of Ladysmith ever since the incorporation of the city. He leaves a wife and four daughters to mourn his loss—Mrs. J. Kempf, Mrs. Chas. Galloway (Vancouver), Mrs. R. B. Little and Miss Harriet Gaffney.

Several patients were admitted to the General Hospital during this week, two of the cases being of a very serious nature, one of the men receiving an accident to his leg which necessitated amputation, and the other being badly crushed in the Granby mines, receiving severe internal wounds. Both cases are progressing as well as can be expected, although neither is yet out of danger. The X-ray apparatus recently installed in the hospital, and which is one of the finest in the Dominion, is in full working order, many pictures having been taken. This is an asset

of the first order to the hospital, especially where so many of the patients suffer from injuries received in the mines.

The dance of the year will be held on Halloween night in Gould's Hall under the auspices of the Ladies' Auxiliary of Ladysmith Hospital. Elaborate arrangements have been made for the dance, which promises to be one of the best ever held in the city. Large numbers of tickets have been sold and a large number of visitors from the neighboring cities are expected. The proceeds of the dance will go to renovating the operating room at the hospital, and there is no doubt that a goodly balance will be obtained after paying all expenses.

Successful Tag Day

DUNCAN, Oct. 22.—Sixty-six dollars and sixty-eight cents was collected on Friday last, Trafalgar Day, when a tag day was held in aid of the funds of the Navy League. The Cowichan Women's Institute, assisted by the I.O.D.R., responded to Col. Bartley Wilmetts' request and carried out the arrangements. Mrs. F. S. Leather, president of the C.W.I., assisted by Mrs. Brettingham, took charge, and they had an able band of taggers in Mrs. Willett, Mrs. H. N. Watson, Mrs. Rushton, Mrs. Craig, Mrs. Morton, Mrs. Gault and Miss Margaret Burchett.

NORTH CHARGE REMANDED

Police Commissioner's Counsel Gets Delay When Amendment Is Allowed

A large crowd which gathered in the City Police Court yesterday to witness the formal arraignment of Police Commissioner Joseph North on a charge of being unlawfully intoxicated in a public place was sent away disappointed when the defendant was remanded until today.

City Prosecutor Harrison made application for the amendment of the charge, as to the place of the alleged offense, from the Stobart-Peace Building, as mentioned in the police information, to Bismarck Street. The charge as amended was read to the defendant, who pleaded not guilty.

Mr. Stuart Henderson said that in view of the amendment he was not ready to proceed with the defence, and would require an adjournment. Magistrate Jay granted a remand until today.

Sudden Death at Sarnia
SARNIA, Ont., Oct. 24.—George Semie, vice-president of the Mackenzie Mine Company, of this city, a prominent Mason and Baptist, dropped dead yesterday afternoon in his office.

A Warm Meal for the Chilly Day

Fortify your body against the chilly air of the Autumn days by eating

Shredded Wheat

With HOT Milk

Heat two Shredded Wheat Biscuits in the oven to restore their crispness—pour hot milk over them, adding a little cream and a little salt. It gives natural warmth in a natural way and supplies all the strength-giving nutriment needed for a half day's work. Better than mushy porridge for youngsters or grown-ups. All the meat of the whole wheat in a digestible form. Ready-cooked and ready-to-serve.
